AN ATTACK ON ASPHALT. Ald, Dodds Does Not Relieve in Vankee

Scamp Work—The New Engineer's Purchasing Powers Attacked. The Executive Committee met yesterday. There was some discussion as to what assess ment rolls should be printed. City Clerk Blevins explained that it could only be that of 1889 and the matter stopped. The secre-Further Beduction in Grain-Quotations tary of the Y.M.C.A. asked for an annual grant to the Girls' Industrial Institute to the amount of the taxes on the building. Chair-

Bay-street at the lower end was simply de-graceful.

Ald. Ritchie: "Yes, and they scamped Sherbourne-street, too, did they not?"
Ald. Gillespie defended asphalt roadways, while Ald. Dodds moved, in view of the dis-graceful state of affairs on Bay-street, all the recommendations for asphalt road-ways con-tained in the Board of Works report be referred back. referred back.
About this time Ald. Shaw entered the room with a report from City Engineer Jennings on the Bay-street roadway. It went to show that at the point where the defects are the should be should be

to show that at the point where the defects had shown themselves the asphalt was worn down to \$4\$, of an inch, and the greatest thickness found over this small area 1\(\frac{1}{2}\) inch. The defects he ascribed to many frosts. Jarvis-street had been examined and also found slightly wanting, and Wellington-street was in a similar condition, but in all he saw there was nothing to show that asphalt pavements were necessarily failures. Ald. Dodd's motion was defeated and the recommendation of the Board of Works adopted.

out the last fen words, viz. "Subject, however to the last fen words, viz. "Subject, however to the lapproval of the Committee on Works." That for the clause will then read as follows: "That for The clause will then read as follows: "That for the purpose mentioned in the next preceding section and under the authority of such resolution as aforesaid the said engineer is hereby authorized and empowered to engage and employ such assistants, inspectors, mechanics, workmen, laborers and other persons, together with such horses, carts and such other means for the removal or supply of material as he thinks necessary and from time to time may require, and to purchase all such tools, implements and material as may be necessary for the proper carrying on of the said works referred to in such resolution."
