

THE ALL-AMERICAN TEAM.

FOURTEEN WHO WILL SAIL NEXT WEEK.

Fourteen men and eight New Englanders comprise the team. The team will sail on the liner...

For many months after a capital schedule of matches had been arranged with crack Old Country clubs it looked as if a Canadian or a substitute American football team would not meet the fixtures.

When the Western Association, which originally arranged the trip, abandoned the scheme it certainly looked as if 40 clubs across the water would be disappointed.

Mr. J. A. Ellis, secretary of the Eastern Foot Ball Association of Canada, pluckily stuck to the task and aggregated a joint team of Canadian and United States players...

Six of the 14 men selected are Canadians, and three of these, Dr. Pirie of Queen's College, Kingston, Dr. Webster of the University of Toronto, and Walker of the University of Toronto...

Our other representatives are Dr. Thibodeau of the State of Michigan, former of Berlin and Toronto, Warlick and Buckingham of Toronto University, and Morrison of the Toronto Scots.

The remaining eight men belong to Fall River and Pawtucket and some of these were born in the Old Country.

The men and their positions are as follows: Goal—Shaw; Backs—Gregory, Warner, Thibodeau; Half—Walker, Whittaker, Warlick, Pirie; Left Wing—Webster, Munroe; Centre—Lefroy; Right Wing—Mannion, Buckingham, Bowman.

The Toronto men leave the city next Tuesday at 8.40 p.m. for the steamer of Berlin and Toronto, Warlick and Buckingham of Toronto University, and Morrison of the Toronto Scots.

Hill of the Ottawa club, who is financially interested in the trip goes along with Manager J. A. Ellis.

The team will reach Glasgow about August 16 and practice there until their first match with the Scots on August 23. They then travel to Belfast and play Linfield Athletics three matches per week will be played until the middle of January, when the tourists will return to America.
