

nised, and there are two different organiza-
tions in the Assembly, which is subversive of
all legislation. Neither party it is said evin-
ces a disposition to compromise the matter.

The weather for the last fortnight has been
very mild for the season of the year. On Thurs-
day and Friday, however there was a great change,
a cold snap set in, the thermometer ranging as
low as zero.

The proposed amalgamation of the three leading
railway lines of England has been abandoned owing
to a misunderstanding as to the representation of
the respective interests on the united executive
body.

The Cholera has appeared at New Orleans.
It is reported to have broken out on board a
vessel from Bremen, which arrived there on
the 30th ult. Twenty or more of the passen-
gers died on the passage, and several more
were sick on board.

FROM MONTEVIDEO. — To the 31st of October
we have accounts. Affairs seem remarkably
quiet, now-a-days, in this part of the world.
Since the English and French governments
have given up their special missions to Rosas
as hopeless cases, we have heard but little of
the doings of this chief. The papers are de-
void of news of any kind, being pretty nearly
all filled with details of European affairs.

DIED.

At Boston, U. S., on Friday the 8th inst. in the
49th year of his age, the Rev. Hiram Nelson
Arnold, for the last twenty years Rector of the
Parish of Sussex, leaving disconsolate wife, and
five children, together with a large circle of
friends and acquaintances to mourn their irrepara-
ble loss. His remains have been brought to St.
John, for interment.
