KNIGHTS OF COLUMBUS DRIVE

Remarkable Report of John McCormack, the Greatest American Tenor of His Day.

Who in Nova Scotia but has heard of the great singer John McCormack, the greatest American tenor of his day? Wherever there is a gramophone in the homes of Nova Scotia people, Mr. McCormack's voice has been heard on occasions almost beyond number and it will continue to be a favorite for many years to come. But in addition to being a great singer, Mr. McCormack is also a man of intense patriotic feeling. He is now doing his bit to help his own people in the great work they have undertaken overseas. When he heard that the Knights of Columbus were in need of funds to build huts back on the firing line, where the soldiers, no matter what their creed, could be made more comfortable during their respite from active fighting, he said: "I will undertake to raise \$50,000 by my own personal effort." And raise it he did by the proceeds of five concerts; in fact he over ran his objective by \$2700, thus securing a total of nearly \$53,000, which he passed over to the Knights of Columbus treasurer.

Now it is not to be expected that Nova Scotia will produce a John McCormack, but it certainly should with our difficulty produce \$100,000, the amount asked for from this province by the K. of C. organization. If everybody who can will only come forward and do his best, there will be no trouble whatever to secure the desired amount. The Knights of Columbus work in France is a good work. President Wilson has said it is and so has Colonel Roosevelt, and many other responsible men. We would ask our readers, therefore, to be ready for the K. of C. canvassers, when they come around on the week of August 19th. Give them a generous subscription, and give it promptly. Every dollar you give will help to make life just a little easier in a place where it is very hard. Try if you can to put yourself in the place of these soldier boys overseas, who like home comforts as well as you do. Think of the discomforts they are suffering every day and every night, and how if you were in their place, you would appreciate the K. of C. huts where you could rest and find entertainment at no cost to yourself. If you do this you will want to give and give liberally.

President Wilson's Opinion of K. of C. War Work

"It only remains for me to speak of the sincere gratification with which I have learned of the Young Men's Christian Association and the Knights of Columbus and their harmonious and successful work in the training camps."

"Everybody Welcome and Everything Free"

You can help to hang this sign within sight of every Nova Scotian Soldier overseas by subscribing to the coming K. of C. Army Hut Fund. Every dollar you give helps to provide a home—music, games, coffee, cigarettes, eating chocolate—for men who are fighting for us. Nothing is sold in these huts, everything is given away. And every allied soldier is welcome regardless of creed or color or class.

You are glad to go on giving to them, as they are glad to go on fighting for you. So give—give generously.
