

That's a Nasty Cough YOU SHOULD USE

NADRUCO Syrup of Tar with Cod Liver Oil Compound

"I used it last winter when I had a rasping, hacking cough that nearly shook me to pieces. NADRUCO Syrup of Tar with Cod Liver Oil Compound stopped the cough, healed my throat and bronchial tubes, and I have not had a cold since. There's a drug store—get a bottle and take a dose as soon as you get home. No—there's no taste of oil about it—it's pleasant to take."

Sold by all druggists.

Prepared by NATIONAL DRUG AND CHEMICAL COMPANY OF CANADA LIMITED

You Must Tell 'em To Sell 'em

On your shelves, in your stock room or warehouse, are the goods you have for sale.

In the homes all around are the folks for whom those goods were produced—The Buyers.

You have the goods, they have the money. But there is no particular reason why the public should come to you. Mr. _____ down the street handles the same line of goods. The happiest solution and the logical one is to ADVERTISE. Tell 'em.

Advertising is today the greatest force in modern business progress. Its powers can be quickly, efficiently, economically applied to your business.

Get the facts from "The Bridgetown Weekly Monitor."

A WORD TO THE WISE

The advertisements you see in our columns are the invitations to you of responsible, progressive business men.

STOP THAT COUGH

Peps will end it. Dissolve Pepsin your mouth when the cough is troublesome, and the medicinal vapor that is liberated is breathed to the remotest parts of the air passages and lungs. It soothes and heals the inflamed membranes, thus ending the irritation and stopping the cough.

Peps are equally good for bronchitis, sore throat and laryngitis. All dealers, 50c. box, or Peps Co., Toronto.
