## TORONTO CANARY AND CAGE BIRD SOCIETY.

The regular meeting night falling on Civic Holiday (Aug. 2nd) the monthly meeting of the above Society was held on July 26th instead. Mr. Collins in the chair, and all officers present during the evening.

The minutes of the previous meeting having been adopted, the delegate reported that the Industrial Exhibition Board had decided that a specially designed "Jubilee" medal would be given this year and three times as many; this would give the bird section six extra medals, and that he had suggested one each to the best bird shown in "Scotch, Norwich, Crests, (any variety, Yorkshire, Cinnamon and Lizard" varieties. The report was received and adopted.

Mr. Stevens was put on the committee in place of Mr. Johnson, who has left the city.

The next meeting night again falling on a holiday, it was decided to hold it on September 13th instead.

It was decided to have a judging competition at our next meeting, and a vote of thanks was passed to the caretaker of the "hall" for his assistance at Young Bird Show. Meeting closed at 9.50.
