

PROSPECTUS.

THE ANGLO-ISRAEL ENSIGN is a journal devoted exclusively to the most important question of the day,—the Identification of the British Nation with the Lost Ten Tribes of Israel, who were carried away captive into the Assyrian country by Tiglath Pileser and Sennacherib, about B. C. 721. Other subjects, as far as they bear upon this most momentous one, will also receive attention in our columns from time to time,—such as the discoveries in the Great Pyramid of Egypt; the Restoration of Israel and Judah. We will also discuss the Second Advent in its Biblical meaning; the approaching Millennium; the signs of the times and the future of our Nation, in its religious, social, commercial and political aspects.

THE ANGLO-ISRAEL ENSIGN will be issued on the first and fifteenth of each month, and forwarded to any address, postage paid, for *One Dollar* per annum, invariably in advance.

This journal will contain sixteen pages, twelve of which will be devoted exclusively to articles bearing on the Anglo-Israel question. The cover and any additional pages that may be added will be used for advertising and similar matters.

From the peculiar character of the ANGLO-ISRAEL ENSIGN, it will not be confined to a local circulation, but must secure a widespread patronage throughout Nova Scotia, New Brunswick, P. E. Island and the Upper Provinces, in short, throughout the whole Dominion of Canada, thus affording a superior medium for advertising to Manufacturers and Wholesale Merchants in all parts of the country.

It is scarcely necessary for us to say that advertisements of an objectionable nature will not be inserted at any price. Patent Medicines will be charged according to custom double the regular rates.
