FARMERS' SONS AND DAUGHTERS. How many of the honest tillers of the soil have suffered at the hands of "sharpers," on account of not being educated in the customs and laws of the Business world. The sons and daughters of every farmer should be so trained that they will be fully equal in point of intelligence to the sons and daughters of the wealthiest merchant or lawyer in the land. THE BEST BUSINESS TRAINING SCHOOL IN AMERICA Jones' Commercial College LOCATED AT London, - - Ontario. One of the Proprietors of this institution, (Mr. Jones,) is the well-known founder of the first College of the kind ever established in Canada, and his partner, (Mr. Yerex,) is the Champion Penman, who, without any previous preparation, went to the last Western Fair, and carried off the FIRST PRIZE FOR BUSINESS PENMANSHIP, simply by writing before the eyes of the Spectators in the Palace Building. One party who competed with him, had spent nearly the whole summer in getting up specimens to exhibit on that occasion.

By taking a course in this College, you will be fully fitted to, not only thoroughly look after your own business interests, but also to represent your neighbors in Township or County Corporations, or in the Provincial or Dominion Parliament. Send for Circular containing full particulars, and state where you saw this advertisement. Address - JONES & YEREX, P.O. Box 99 F. London, Ont.
