## The Pioneer Seed House of Canada

### Bruce's Seeds for Farm and Garden

We do not claim that our Seeds are the best, because that would imply that all others are inferior; but we do claim that we are the oldest house in the Seed trade in Canada, and have personal knowledge of and connections with the best growers of Seeds in Europe and on this continent, and we do not hesitate to assert that our stocks of seeds for the Farm and Garden are equal to the best offered.

The new Seed Control Act makes it imperative that Seeds of Clovers and Timothy for seeding in Canada must have a certain percentage of purity. We have exceptionally fine qualities in these Seeds, which have been specially re-cleaned and tested at the Government Seed Laboratory at Ottawa and which we will send out in sealed bags.

Our Illustrated Seed Catalogue and Special Price List of Clovers, Grass Seeds and Seed Grains, etc., will be mailed free on application.
