

substance to the support of Gospel ordinances, loyal to all the schemes of the Church, especially interested in her missionary operations, to which he was ever a faithful and generous contributor. Kind and benevolent to the poor, no matter what their nationality or creed; and at his home the minister always found an open door and a warm-hearted welcome. Nearly seven years ago he moved to Lynden, where he soon after had divine services commenced in his hall, given free of expense, and a congregation gathered which since has been duly organized; and during the past year was mainly instrumental in the erection of a handsome brick church, which stands to day a monument of his faith and hope, of his zeal and liberality, an evidence of his sincere devotion to Christ and the Presbyterian Church, of which he was such an honoured member. During the last seven years he has had many severe attacks of illness, which he bore with great patience and submission to his Father's will. He was married to the eldest daughter of the late Rev. Mr. Christie, for so many years pastor of the Flamboro' congregation. Mrs. Thompson and a son and daughter remain to mourn the loss of an affectionate husband and a devoted father.

"Blessed are the dead who die in the Lord; yea, saith the Spirit, for they rest from their labours, and their works do follow them."

Peculiar

Peculiar in combination, proportion, and preparation of ingredients, Hood's Sarsaparilla possesses the curative value of the best known remedies of the vegetable kingdom. Peculiar in its strength and economy, Hood's Sarsaparilla is the only medicine of which can truly be said, "One Hundred Doses One Dollar." Peculiar in its medicinal merits, Hood's Sarsaparilla accomplishes cures hitherto unknown, and has won for itself the title of "The greatest blood purifier ever discovered." Peculiar in its "good name at home,"—there is more of Hood's Sarsaparilla sold in Lowell than of all other blood purifiers. Peculiar in its phenomenal record of sales abroad, no other preparation ever attained so rapidly nor held so steadfastly the confidence of all classes of people. Peculiar in the brain-work which it represents, Hood's Sarsaparilla combines all the knowledge which modern research has developed, with many years practical experience in preparing medicines. Publication and Sabbath School Work

In selecting Books for the Sabbath School Library, it is of the highest importance that only those should be chosen which contain really good and valuable reading. The task of making a Good Selection is not, however, altogether an easy one. The vast number of books of an indifferent character with which the market is flooded at the present day, renders necessary the greatest care. Many books, though they have a sort of religious odor about them, furnish no food for thought, give no upward impulse, add little or nothing to our store of knowledge. The value of a collection such as that prepared by the PRESBYTERIAN BOARD OF PUBLICATION AND SABBATH SCHOOL WORK from which to make a choice, cannot be too highly appreciated. The aim of the Board is to publish and disseminate a Christian literature in accord with Presbyterian principles. The furnishing of Sabbath Schools with a class of reading that is pure and good, as well as interesting, is one of the most important of its objects. With this end in view, a large number of new and valuable books especially suited for Sabbath School readers have been added to the list during the past few years.

The catalogue now contains the very best collection of books for circulation in Presbyterian families.

Notwithstanding the duty on books entering Canada, the prices are the same as in the United States.

A liberal discount is given to Sabbath Schools ordering for Library purposes.

Catalogues will be furnished on application. Address all orders and correspondence to
