

CONSUMPTION AND CATARRH.

and restore to health many who now feel their case to be hopeless.

Danger Signals. Do you take cold easily? Have you a cold in the head that does not get better? Have you a hacking cough? Is your throat affected? Are you troubled with hoarseness? Soreness of the throat? Difficulty in breathing? Have you a pain in the head, between and above the eyes? A sense of fullness in the head? Are the passages of the nose stopped up? Is your breath foul? Have you lost all sense of smell? Are you troubled by hawking? Spitting? Weak, inflamed eyes? Dullness or dizziness of the head? Dryness or heat of the nose? Is your voice harsh or rough? Have you difficulty in talking? Have you an excessive secretion of mucus or matter in the nasal passages, which must either be blown from the nose or drop back behind the palate, or hawked or snuffed backward to the throat? Ringing or roaring or other noise in the ears, more or less impairment of the hearing? **IF SO, YOU HAVE CATARRH.**

Some Bad Symptoms. The long continued corruption of the air that is breathed, passing over the foul matter in the nasal passages, poisons the lungs and from thence the blood. The morbid matter that is swallowed during sleep passes into the stomach, enfeebles the digestion, vitiates the secretions and pollutes the very fountains of life. The patient becomes feverish, occasionally there is less buoyancy of spirits, the appetite is often fickle, the head less clear; it is difficult to keep the energies up to the old standard, and often without knowledge why, he is conscious that he is not as well all the time as he used to be.

We Can Cure You. Each case is examined into carefully and critically, and the whole treatment compounded to meet the wants of each individual. To this fact alone, much of our success is due, and we think no case is incurable when our questions are properly answered.

The Experience of Others. Childs' Treatment for Catarrh and all diseases of the head, throat, and lungs, is not new and untried, but a positive and certain remedy. We, above all things, desire to establish confidence in our treatment, so that every sufferer from Catarrh, Bronchitis, and their effects on the Lungs and other Vital Organs, may feel certain of success in its use. We have thousands of letters from patients we have cured.

I am glad to say that I found your medicine all that can be claimed for it. I am fully restored. J. H. SIGFRIED, Pottsville, Pa.

I have used your Catarrh treatment and am cured. A thousand thanks to you for so sure a remedy. FANNIE DEMENT, Dyer Station, Tenn.

I am much pleased to say that I have used the treatment faithfully, with the happiest and best results. JOHN A. PRATT, Goffs Falls, N.H.

I am so far recovered that I am able to attend church, can walk half a mile. Have a good appetite, and gaining all the time.

MRS. A. N. MUNGER, Detroit, Mich.

About one year ago I ordered your Bronchial treatment for my father. The benefits to him have been magical, and far beyond our most sanguine expectations, as this has been the only winter for several years that he has not passed most of the time in bed all the time in the house. Very truly, C. S. SHERWOOD, Portsmouth, Va.

Home Treatment. Childs' Treatment for Catarrh, and all diseases of the Head, Throat, and Lungs, can be taken at home with perfect ease and safety by the patient. We especially desire to treat those who have tried other remedies without success. A full statement of method of home treatment and cost will be sent on application.
