

Poetry.

THE TWO BISHOPS.

A recent Sydney paper contained an account of a voyage made in company by the Bishops of New Zealand and Newcastle, among the Islands, which would interest many an old "Johnian," recalling the names of SELWYN and TYRELL, and the "Ladyo Margaretto" boat.

Oh, merry were those days of old,
Besides Cam's lazy stream;
And oftimes in life's busy track,
The memories of those days rush back,
Like a forgotten dream.

The river's alive with moving boats—
The shore with a shouting crew—
And the men of St. John
Dart foremost on,

For their cars are stout and true;
And we proudly deem that, of all the craft
That'er on the river mot,
The bravest boat that was ever afloat
Is our "Ladyo Margaretto."

Where are they now, our fearless band,
Who toiled in the mimic strife?
Who best have sped with sail or oar?
And now lie stranded on the shore
Of this rough stream of life?

Aye, merry were those days of old,
The sunniest days on earth!
Yet no thought of glee
Brought now to me
The memory of this mirth.

'Twas a vision of a lonely barquo
On the broad Pacific way—
A barquo of little pride and state,
But one that bears a priceless freight,
In two true hearts and brave.

I seem to watch them on their way—
The gentle and the just—
Gone nobly forth to brave and bear
Peril and pain, and toil and care,
Firm in their watchword—"Trust."

And I ask, in their earnest labours now,
Ah, do they quit forget,
How in youth's bright weather
They pulled together,
In the "Ladyo Margaretto"?

Or, sometimes, on their vessel's deck,
When they rest at close of day,
Do they talk of many a friendly band,
Linking their hearts to their fatherland—
That land so far away?

Do they think of us in our English homes,
Who fondly remember yet,
How they were two
Of our joyous crew,
In the "Ladyo Margaretto"?

THE FAR-FAM'D MEDICINE.

HOLLOWAY'S PILLS.

SURPRISING CURE OF A CONFIRMED ASTHMA, AFTER FIVE YEARS' SUFFERING.

The following testimonial has been sent to Professor Holloway, by a Gentleman, named MIDDLETON, of Scotland Road, Liverpool.

SIR, - Your Pills have been the means, under Providence of restoring me to sound health. After five years of severe affliction. During the whole of that period, I suffered the most dreadful attacks of Asthma, frequently of several weeks' duration, attended with a violent cough, and continual spitting of phlegm intermixed with blood. This so shook my constitution that I was unfitted for any of the active duties of life. I was attended by some of the most eminent medical men of this town, but they failed to give me the slightest relief. As a last remedy, I tried your Pills, and in about three months they effected a perfect cure of the disease, totally eradicated the cough, and restored tone and vigour to the chest and digestive organs. I am, Sir, your obedient Servant. (Signed) H. MIDDLETON, Dated Jan. 1st, 1852.

A PERMANENT CURE OF A DISEASED LIVER OF MANY YEARS' STANDING.

Copy of a Letter from Mr. GUNN, Chemist, York, to Professor Holloway.

DEAR SIR - In this district your Pills command a more extensive sale than any other proprietary medicine before the public. As a proof of their efficacy in Liver and Bilious Complaints, I may mention the following case. A lady of this town with whom I am personally acquainted, for years was a severe sufferer from disease of the Liver and digestive organs. Her medical attendant assured her that he could do nothing to relieve her sufferings, and it was not likely she could survive many months. This announcement naturally caused great alarm among her friends and relations, and they induced her to make a trial of your Pills, which so improved her general health that she was induced to continue them until she received a perfect cure. This is twelve months ago, and she has not experienced any symptoms of relapse, and often declares that your Pills have been the means of saving her life. I remain, Dear Sir, yours truly, (Signed) J. GAMIS, Nov. 23rd, 1852.

AN ASTONISHING CURE OF CHRONIC RHEUMATISM AFTER BEING DISCHARGED FROM THE HOSPITAL INCURABLE.

Copy of a Letter from W. MOON, of the Square, Winchester.

To Professor HOLLOWAY. SIR, - I beg to inform you that for years I was a sufferer from Chronic Rheumatism, and was often laid up for weeks together by its severe and painful attacks. I tried every thing that was recommended and I was attended by one of the most eminent Surgeons in this town, but obtained no relief whatever, and feeling that my health would be entirely broken up, I was induced to go into our County Hospital, where I had the best medical treatment the institution afforded, all of which proved of no avail, and I came out no better than when I went in. I was then advised to try your Pills, and by persevering with them was perfectly cured, and enabled to resume my occupation, and although a considerable period has elapsed, I have felt no return whatever of the complaint. I am, Sir, your obliged Servant, (Signed) W. MOON.

AN EXTRAORDINARY CURE OF DROPSY, AFTER SUFFERING FOR EIGHTEEN MONTHS.

Copy of a Letter from Mr. G. BRIGGS, Chemist, Google dated February 14th, 1853.

To Professor HOLLOWAY. SIR, - I have much pleasure in informing you of a most surprising cure of Dropsy, recently effected by your valuable medicines. CAPTAIN JACKSON of this place, was afflicted with Dropsy for upwards of a fortnight. To such an extent that it caused his body and limbs to become a swollen, and water oozed as it were from his skin, so that a daily change of apparel came necessary, notwithstanding the various remedies tried, and the different medical men consulted, all was of no avail, until he commenced using your Pills, by which, and a strict attention to the printed directions, he was effectually cured, and his health perfectly re-established. If you deem this worthy of publicity, you are at liberty to use it. I am, Sir, yours respectfully, (Signed) G. BRIGGS.
