FAIRCHILD BROTHERS
& FOSTER

DIAZYME

ESSENCE

Diazyme supplies in a very agreeable and active form, the peculiar ferment of the animal digestive secretion, upon which depends the conversion of farinaceous foods into soluble and assimilable form.

Diazyme is especially rich in starch digesting power, far exceeding in this respect, any preparation hitherto offered.

Manufactured By

Fairchild Bros. & Foster,
New York.

PRINTED BY T. C. ALLEN & Co., 124 GRANVILLE STREET, HALIFAX, N. S.
