## WORKERS' SOCIAL.

**C** PLEASANT and profitable meeting of the workers on the various committees was held in the Members' Parlor on Thursday evening, April 30th. After tea, which was served in the Chinese Room, Mr. H. B. Gordon took the chair, opening with prayer and the reading of Scripture. Earnest and practical addresses bearing upon Christian work, were given by Rev's P. McF. McLeod and John Salmon. Satisfactory and encouraging reports were presented by the chairmen of committees, and an appeal was made for new members to assist in the good work, to which several responded.
