## *Nova Scotia,*

is the best place in America to buy.

**Dry & Pickled Fish; Lumber, Potatoes, Hay**  
and other Agricultural produce. It is also a good market in  
which to sell

### **Molasses, Grocery Sugars & Fruits.**

My business is an Export and Import Commission business, and having had considerable experience in both Canada and the West Indies, I know exactly what class of Goods is required in each market. Any orders which may be entrusted to me I will guarantee to fill according to the specifications of the sender. Consignments of West India products handled with despatch, and advances made when required.
