

HULL, QUE.—The city engineer estimates that a sewer in ward A would cost \$50,000. Tenders are wanted, at office of M. Brodeur, architect, for brick and carpenter work of five storey building.

EDMONTON, N. W. T.—A court house will be built here this summer.—Tenders are being taken this week for erection of brick ten-roomed school building, from plans by G. H. B. Johnson, architect.

BRANTFORD, ONT.—Gouninlock & Baker, architects, are taking tenders in their office here on all trades for a residence for Mrs. A. D. Clement on Church street, also for alterations and additions to Zion Presbyterian church and residence of D. Waterous.

SICKVILLE, N. B.—P. S. Archibald, C. E., of Moncton, has reported on the cost of a water supply for this place from Ogden's Brook, two and one-half miles distant. A company with a capital of \$45,000 has been organized to construct the system.

VANCOUVER, B. C.—Jas. McWhirney, 342 Eighth avenue, will likely build a warehouse on Pender street.—Tenders have been taken by F. M. Britton for remodelling Mount Pleasant Methodist church.—Father Lefebvre was in the city last week purchasing material for proposed Catholic church at White Horse.

MIDLAND, ONT.—By-laws to install a waterworks system, cost \$60,000, and to take over and extend the electric light plant, cost \$18,000, were carried by the ratepayers recently.—Tenders are invited up to May 23rd for erection of Methodist church and school room, of brick. Plans at residence of A. McKee, this place, and at office of J. S. Russell, architect, Stratford.

PARRY SOUND, ONT.—An architect will be engaged to report on the cost of alterations to the east ward school. It is probable that the erection of a new school will be postponed for the present.—A committee has been authorized by the town council to procure plans for a bridge on Cascade street.

COLLINGWOOD, ONT.—R. W. O'Brien intends building a two storey brick store. Fred T. Hodgson, architect, is preparing plans for a large brick and stone store and warehouse to be built on Hurontario st. for Robert O'Brien. He is also preparing plans for alterations and an additional storey to the residence of John Adam, Oak st.

PETERBOROUGH, ONT.—Tenders close May 30th at office of town clerk for purchase of \$33,114.63 twenty year and \$13,111.39 thirty year debentures.—The Peterborough Shovel Co. has been organized and purposes erecting a building 60x150 ft.—Plans have been completed for the new works in this town of the American Cereal Co., of Chicago. The dam is estimated to cost \$250,000, and buildings a similar amount.

VICTORIA, B. C.—The city council will memorialize the provincial government to grant \$75,000 to assist in construction of new Point Ellice bridge.—A deputation from Rockland avenue and vicinity have asked the council to construct a sewerage

system for that district. Some of the aldermen favor the septic tank system.—An addition to the Centennial Methodist church will probably be built this year. Particulars from P. Shakespere.

BROCKVILLE, ONT.—Plans have been prepared for additional wing to the general hospital.—Tenders are invited up to 6 p.m. of 22nd inst. for stone, brick, iron, steel, carpenter and joiner works and painting and glazing of pumping station for Board of Water Commissioners. Plans by B. Dillon, architect.—A. A. Fisher and Edwin Smart have purchased the John Ryan property, corner King and Orchard streets. Plans for converting it into two residences are being prepared.

HAMILTON, ONT.—Extensive improvements are to be made to the St. Nicholas hotel, owned by Henry Hogben.—Building permits have been granted as follows: James Rogers, four brick dwellings on Princess street, cost \$4,400; Peter Erskine, two brick dwellings and store, Dundurn street, cost \$3,500; John Mills, brick dwelling on Cook street for John Goddard, cost \$1,100; G. F. Webb, alterations to 27 John street north, for Morgan Bros., cost \$3,500; G. H. Milne, brick dwelling on King street, cost \$1,250; A. W. Peene, nine dwellings on St. Matthews avenue, cost \$9,000.

LONDON, ONT.—The Canadian Fire Engine Co. have purchased an acre of land on Simcoe street as a site for their factory. Building will be brick, two storeys, 56x80 ft.—A. O. Graydon, city engineer, wants tenders by 5 p. m. of 16th inst. for construction of sewers.—H. C. McBride, architect, is calling for tenders for a residence on Dufferin avenue for Mrs. L. H. Ingram. He is also preparing plans for a factory on Clarence street for P. O'Hara.—Moore & Henry, architects, are preparing plans for a brick church on Lyle street, East London, for Father

Traher, of St. Marys, also a dwelling at Catholic cemetery for Patrick Gleeson.—Herbert Matthews, architect, is calling for tenders for a residence on Queen's avenue, for himself.—Moore & Henry, architects, are preparing plans for a house for James Butler, Central avenue, to be built of red pressed brick, and are building a lodge for the London cemetery authorities.

WINNIPEG, MAN.—Montgomery Bros., of the Winnipeg Hotel, have purchased adjoining property on which they will build a large addition to the hotel.—H. S. Griffith, architect, is this week taking tenders for alterations to house on Assiniboine avenue.—A by-law to raise \$100,000 for school purposes was carried by the ratepayers last week, while the fire hall by-law was defeated.—The city clerk is taking tenders for construction of cedar block pavements.—G. Brown, architect, has prepared plans for a branch of the Union Bank at Carberry, 2 storey building, 50 ft. frontage. Same architect is preparing plans for a new style of house in which the bath-room is placed in the attic.—Architect J. G. Russell is taking tenders for a residence for J. A. M. Aikins.—The new steel bridge for the Canada Northern will be located near the foot of Water street. Contractor Kelly has the work in hand and is making all arrangements for an early start.

OTTAWA, ONT.—Plans are being prepared by J. P. McLaren, architect, for a three storey brick veneer hotel to be erected at Carp, Ont., cost \$5,100.—E. H. Bronson has taken out a permit for a brick dwelling on Nepean street, to cost \$10,000.—William Kennedy, jr., of Montreal, is preparing plans for developing water power at the Chaudiere for the Ottawa Power, Pulp & Paper Co. He is also preparing plans for the power house and pulp and paper mills.—A. E. Oliver
