Asthma of Thirty Years Standing.

Mr. Seth W. Fowler:—Having been afflicted for than more thirty years with the Asthma, at times so severely as to incapacitate me from attendance to business, and having adopted many medicines without any but temporary relief, I purchased, about three years since, of Mr. Edward Mason, your agent in this city, several bottles of Wistar's Balsam of Wild Cherry, from the effects of which I obtained more relief than from all the medicine I had ever taken for that distressing disorder. I have by the repeated use of your valuable Balsam, been more free of pressure for breath, and oppression on the lungs, than I anticipated, and indeed conceive myself cured of the most disconcerting malady.

I do most cheerfully tender you this acknowledgment which you will use as your judgment dictates.

THE COLONIAL LIFE ASSURANCE COMPANY,
Registered and Empowered under Act of Parliament,
7 and 8 Victoria, Cap. 110.

CAPITAL £300,000 STEELING.

GOVERNOR:
The Right Honourable the Earl of Elgin and Kincardine,
Governor General of Canada, &c., &c., &c.

HEAD OFFICES:
EDINBURGH,..... 1, George Street.
LONDON,..... 4, A. Lothbury.
GLASGOW,..... 35, St. Vincent Place.
MONTREAL,..... 49, Great St. James Street.

THE Directors of the Colonial Life Assurance
Company being desirous to afford all those advantages
to their Policy-holders in this country, which are commanded by As-
surers in Great Britain, have invested the Board in Montreal with
full powers to examine into and accept proposals, putting the
Company on the risk, at once, without communicating with the
Parent Board.

A party has it thus in his power to effect an Assurance on his
Life immediately, without incurring the delay to which Life As-
surers in this country have hitherto been subjected, from the
sanction of the Head Board being required to complete the trans-
action; the deliverance of the Board at Montreal being final and
irrevocable.
This arrangement gives to the COLONIAL all the facilities of a
Company essentially local; and, combined with the additional
advantage of a large Guaranteed Capital, affords the most perfect
security in all Assurance transactions.

The Colonial Life Assurance Company
Has been established for the purpose of extending the benefits of
Life Assurance in the Colonies of Great Britain, and affording
increased facilities to persons assured in passing from one country
to another. The success which has attended its operation testifies
how greatly such an Institution was required, and how much it
has been appreciated.

IN BRITISH NORTH AMERICA
The Company has been received by all classes in the most satisfac-
tory and welcome manner, and the number who have connected
themselves with it by Assurance, show how very much such an
Institution on a broad and liberal basis was required.

THE CAPITAL OF THE COMPANY
Gives complete security for all its transactions; and parties deal-
ing with the Office incur none of the risks of Mutual Assurance.

THE RATES
Adopted have been framed after a most careful and searching in-
quiry as to the value of life in different countries, and the Directors
are confident that they have adopted as moderate a scale as can be
held, compatible with safety.

PROGRESS OF THE COMPANY.
The Colonial commenced business in 1846, and the result which
has attended its operations fully bears out the anticipations of suc-
cess which its founders entertained. The Company have granted
Assurance, during the last two years alone, to the extent of
£300,000 sterling.

DIVISION OF PROFITS.
The Directors look forward with confidence to a very favorable
result at the first Division of Profits in 1854, and persons assuring
before 25th of May, 1850, will participate in that Division to the
extent of five years' claim for bonus.

CAPITAL—ONE MILLION STEELING.
Reduced Rates of Premium—Half Credit Rates Premium.

THE great and decided success which has attended
this Institution, has induced the Directors to reduce the
rates originally required in British North America, to the ordinary
European rates.

The result of such reduction is to enable parties to avail them-
selves of the important benefits of Life Assurance, at much lower
rates of Premium than those of any other Assurance Company,
transacting business in Canada.

limits to which they may proceed by sea or land.
