## THE TRUE WITNESS AND CATHOLIC CHRONICLE -APRIL 12 1867.

Our appetites were given to us to preserve and propagate life. We abuse them for its destruction. Expression is action: beauty is repose.

'Ike,' said 'a rusty old heathen of the desk, 'Low do astronomers measure the distance to the sun. Why, replied the young hopeful, they calculate one fourth of the distance, and multiply by four:

WHO IS MRS. WINSLOW? As this question is frequently asked, we will simply say that she is a lady who, for upwards of thirty years, has untiringly devoted her time and talents as a Female Physician and nurse, principally among children. She has especially studied the constitution and wants of this numerous class, and, as a result of this effort, and practical knowledge, obtained in a lifetime spent as hurse and physician, she has compounded a Soothing Syrup, for children teething It operates like magic-giving rest and health, and is, moreover, sure to regulate the bowels. In consequence of this article, Mrs. Winslow is becoming world-renowned as a benefactor of her race; children certainly do rise up and bless her; especially is is this the case in this city. Vast quantities of the Southing Syrup are daily sold and used here. We think Mrs. Winelow has immortalized her name by this invaluable article, and we sincerely believe thousands of children have been saved from an early grave by its timely use, and that millions yet unborn will share its benefits, and unite in calling her blessed. No mother has discharged her duty to her suffering little one, in our opinion, until she has given it the benefit of Mrs. Winslow's Scothing Syrup. Try it, mothers-TRY IT NOW .- Ladies Visitor, New York City.

Be sure and call for "MRS. WINSLOW'S SOOTHING SYRUP." All others are base and dangerous imitations. Sold by all Druggists. 25 cents a bottle. April, .1867.

'LET ME LIVE AND DIE AMONG FLOWERS,' said an thusiastic Italian. This might be difficult, for few of us can live always among the roses. It is possible, however, to breathe a floral atmosphere even in a flowerless land. No tropic bloom exhalts a more enchanting odor than that which Chemistry bas wedded to each drop of MURRAY & LAN-MAN'S FLORIDA WATER. Every bottle of it is a fragrant nosegay, which cannot be blighted, and whose delicious aroma knows neither change nor decay. Flowers, the sweet censers of Nature's temple, are but transient things, but their fragrance, as concentrated in this exquisite toilet water, is not for a day but for all time.

Purchasers are requested to see that the words " Florida Water, Murray & Lanman, No. 69 Water Street, New York," are stamped in the glass on each bottle. Without this none is genuine.

TESTIMONIAL FROM HAMILTON BRONCHITIS CURED.

Hamilton, C.W., July 20, 1864 Messrs. D. B. M'Donald & Co. :

Dear Sira, -I take pleasure in giving my testinonial of the benefit derived from the use of BRISTOL'S SARSAPARILLA, which I purchased from you. I had been troubled seriously with bronchitis for about a year. It had been brought on by inflammation of the lungs, and was a source of great distress to me, so that it was impossible for me to go out at night. I found no relief from anything I had taken until I tried BRISTOL'S SARSAPARILLA, which I am happy to say has effected a cure.

SICKNESS THAT HAS NO NAME. - Thousands suffer, who have no specific disease. They are apathetic and listless, eat without relish, sleep without being refreshed, and are miserable without any tangible cause. A sluggish digestion, a semi-torpid liver, inactive bowels-are responsible for these indescribable, but not the less real and annoying ailments. To restore the inert organs to bealthful activity, they have only to resort to BRISTOL'S SUGAR-COATED PILLS. Dr. Benjamin Wailis, of Boston, Mass., gives it as his opinion, that 'there is nothing comparable to them, in cases where there is a lack of vital energy in the stomach and its dependencies, and general weakness and depression are apparent, without distinctly-marked form of disease.' All who suffer from physical prostration, accompanied by low spirits, will find BRISTOL'S SUGAR-COATED PILLS of immense benefit. 432

They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SARSAPARILLA should be used in connection with the Pills.

### LYRA CATHOLICA:

A COLLECTION OF MASSES, HYMNS, MOTETTS,

For the Offertory, Benediction, Rievation, and the Principal Festivals of the CATHOLIC OHURCH; Together with Responses Complete, from Authentic Sources, including Correct Gregorian Music for Vespers. The whole selected and arranged large or small Chairs, by J. H. WILLOUX, Mus. Doc. Organist of the Church of The Immaculate Conception, and L. H. SOUTHARD, Formerly Organist of the Church of Sis. Peter and Paul.

In the present work, the Editors have endeavored to furnish a large number of pieces, attractive from their intrinsic beauty, free from all secular or other objectionable associations, and sufficiently easy to within the grasp of the larger part of Parish choirs; music neither heavy and unmeaning, nor vulgar and common-place, nor, worse than either, light and trivial, entirely unsuited for the sacred offices of the church. Many of the Motetts, Hymns, Antiphons, and other pieces, are so arranged that they require no tenor. A large portion of this work has been selected from the repertoires of the Churches of St. Roch, Paris; Notre Dame de Bonne Nouvelle, Brussels, and the Oathedral of St. Stephen, Vicana. In 1 Vol. large quarto, bound in cloth. Price \$2.50 on receipt of which copies will be mailed, post paid OLIVER DITSON & CO., Publishers, 277 Washington Street, Boston.

S. T .- 1860. - X . - The amount of Plantation Bitters sold in one year is something startling. -They would fill Broadway six feet high, from the Park to 4th street. Drake's manufactory is one of the institutions of New York. It is said that Drake painted all the rocks in the Eastern States with his cabalistic "S. WHAT DID IT! - A young lady, returning to her country home after a sojourn of a few months in New York, was hardly recognized by her friends. In place of a rustic, flushed tace, she had a soft, ruby complexion, of almost marble smoothness; and instead of 22, she really appeared but 17. She told them plainly she used Hagan's Magnolia Balm, and would not be without it. Any lady can improve her personal appearance very much by using this article. It can be ordered of any druggist for only 50 cents. SARATOGA SPRING WATER, sold by all Drug-

Heimstreet's inimitable Hair Coloring has been steadily growing in favor for over twenty years. It acts upon the absorbents at the roots of the hair, and changes it to its original color by degrees. NEAR MONTREAL. THE object of this institution is to give to the youth of this country a practical education in the French and English languages.

The course of instruction embraces the following branches, viz:-Reading, Writing, French and English Grammar, Geography, History, Arithmetic, Book Keeping, Practical Geometry, Architecture, Music, and Drawing. The course is of five years, commencing by an

Elementary class, in which pupils of seven years are

formity to the rules and discipline of the house be-

commonly edmitted.

Every pupil capable of studying, and furnished with good moral recommendations, is received in the institution without distinction of religion; strict con

ing required of all.

All matters are studied in English as well as in French, in order that the pupil may become proficient in both languages. Particular attention is given to the teaching of French to the English pupils, a professor bsing specially charged with that branch; their progress is rapid, as may be known from the fact, that many who, at the commencement, knew not a word of French, were, towards the end of the year, able to

speak and write it tolerably well, This institution is under the direction of five priests 12 Reclesiastics residing in the bouse, and four lay professors. Pupils are boarded in the house; bed and bedding

furnished at the desire of the parents. Particular attention is paid to the food, health, and cleanliness of the scholars, and all that pertains to their religious, moral, and domestic education.
