NOTICE.

Sealed Tenders, addressed to the undersigned, and endorsed "Tender for Indian Supplies," will be received at this office up to noon of TUESDAY, 20th APRIL, 1886, for the delivery of Indian Supplies during the fiscal year ending 30th June, 1887, consisting of Flour, Bacon, Beef, Groceries, Ammunition, Twine, Oxen, Cows, Bulls, Agricultural Implements, Tools, &c., duty paid, at various points in Manitoba and the North-West Territories.

Forms of tender, giving full particulars relative to the Supplies required, dates of delivery, &c., may be had by applying to the undersigned, or to the Indian Commissioner at Regina, or to the Indian Office, Winnipeg.

Parties may tender for each description of goods (or for any portion of each description of goods) separately or for all the goods called for in the Schedules.

Each Tender must be accompanied by an accepted cheque in favor of the Superintendent General of Indian Affairs on a Canadian Bank for at least five per cent. of the amount of the tenders for Manitoba and the North-West Territories, which will be forfeited if the party tendering declines to enter into a contract when called upon to do so, or if he fails to complete the work contracted for. If the tender be not accepted the cheque will be returned.

Tenderers must make up in the money columns in the Schedule the total money value of the goods they offer to supply, or their tender will not be entertained.

Each tender must, in addition to the signature of the tenderer, be signed by two sureties acceptable to the Department, for the proper performance of the contract.

In all cases where transportation may be only partial by rail, contractors must make proper arrangements for supplies to be forwarded at once from railway stations to their destination in the Government Warehouse at the point of delivery.

The lowest or any tender not necessarily accepted.

L. VANKOUGHNET,

Deputy of the Superintendent-General of Indian Affairs.

Department of Indian Affairs,
Ottawa, 3rd March, 1886.

KENNEDY'S IMPROVED PATENT EARTH CLOSETS

- AND -

Bedroom Commodes.

We have the best, the simplest and most effective patent improved Earth Closet on the continent, and the Heap Co. knows it, and is aggravated without just cause at the growing favor of our Closet.

That Company likewise knows that we have beaten it at the Dominion Exhibition, have beaten it at the Court, and will more easily do so again if called upon.

We have sold closets to those who had previously bought the Heap's. They all testify freely to the superiority of our closet. Some of our customers upon seeing ours cast away their more expensive and unsatisfactory Heap's Closets, unsolicited bought ours to replace them, and now pronounce ours the best by far, and altogether satisfactory. In no instance has the Heap Co. sold a closet to a customer who had used one of ours. We have repeatedly sold closets to those who had previously bought and used the Heap's.

Don't be humbugged with any unfair comparison. Our closet, one of the cheapest we ever made, placed in the hands of and declared by a competing and unprincipled Company is no test of its merits. We will cheerfully refer intending purchasers to disinterested persons using our closets, and who are likewise using or have used the Heap's.

Buy the best, the only self-acting earth closet that does not soon become ineffective and worthless.
