Mercantile Summary.

JOHN SILVER & Co., of Halifax, offer their creditors 33½ cents on the dollar without security.

ONE day, week before last, the customs' receipts at Moncton, N.B., reached \$9,980, the largest in the history of that port.

THE Hamilton and Toronto Sewer Pipe Company, with a capital stock of \$90,000, has been granted letters patent of incorporation.

AN experiment has been made by a Halifax soap manufacturer in shipping a car load of soap to Montreal, and we hope his success is such that he will repeat the shipment.

ENGLISH letters posted in London on the 27th May reached Vancouver, B. C., 6,500 miles distant, twelve days later. The route was via the Canadian Pacific Railway.

A STOREKEEPER of Baie St. Paul, in the Gulf of St. Lawrence, Joseph Guay, who has also done a considerable business in the export of eggs, has assigned to the prothonotary at Murray Bay. Liabilities as yet not ascertained.

SINCE the opening of navigation upwards of 500,000 bushels of wheat has been received at Port Arthur for shipment. The quantity still in the hands of farmers is estimated at about 1,000,000 bushels. When the two new elevators, to be built at Fort William this year by the C. P. R., are finished the storage capacity at that point will be increased to 4,500,000 bushels.

HERE are some further particulars regarding L. G. Brown, of Magog, Que., doing business under the style of the Magog Hosiery Company, whose assignment we noticed last week. The business was established in 1884, and was under the management of E. A. Brown, who was of the firm of Peasley & Brown, in a similar business at Lawrenceville, Que. He made a bad failure in 1883, the estate paying only about five cents. The success of the Magog venture has been questioned all along.
