NOTE: The Department of Public Printing and Stationery, Government Printing Bureau, Ottawa, under the King's Printer, is responsible for printing and publishing all Dominion Government publications.

The Department also publishes the *Canada Gazette* (weekly), a record of official Government notices. In close co-operation with the House of Commons and the Senate, the Department issues sessional reports on parliamentary proceedings: These are:

> The Senate - Debates
> Minutes of Proceedings
> House of Commons - Debates
> Votes and Proceedings
> Orders of the Day
> Bills of the Senate and
> House of Commons (Public and Private)

It also publishes Annual Statutes and Acts (Public and Private), with Amendments to date.

All Departments of Government as well as a number of governmental organizations and commissions issue Annual Reports for consideration by Parliament and for allocation of operating monies. Copies of these are available at various prices upon application to the Department of Public Printing and Stationery.

Nearly all publications issued by Government Departments are available in English and French.
