Madam Speaker: The motion is carried.

Motion agreed to, Bill read the first time and ordered to be printed.

[English]

Mr. Deans: Madam Speaker, I rise on a point of order. It is simply this. On Monday last leave to introduce this particular Bill was sought and given. Why, then, did we need to have leave to introduce the Bill sought and given the second time?

Madam Speaker: The division was on first reading. There are two motions when a Bill is brought into the House, one for leave to introduce it, and one for first reading. That is the reason for the two votes.

Mr. Trudeau: Why didn't you find out before voting?
