—Wife—Henry, isn't Gus Goebel a beer
 brewer? Husband—Yes. Wife—Isn't it
 funny a beer maker should be appointed
 water commissioner? Husband—No; the
 more a man knows about beer the more he
 appreciates water. Wife—Henry, you've
 been there.
 —Wife—John, in your sleep last night
 you talked a good deal about your type-
 writer. John—Oh, yes; the new one I
 just purchased! I dreamed that I was
 writing on it. I remember now! Wife—
 Indeed! Well, do you always hire a hack
 and buy wine when you write on it?
 —Hortense—What an awful squeeze
 there was at the Von Twilliet reception
 last night! Grace—Yes; George and I
 had to sit outside, on the steps. Hortense
 —Did the squeeze continue here?
