Liberal Candidate May Withdraw in Return for Quebec Concession.

EAGER TO GIVE GUNS

Hamilton Lost Canadian League Leadership on Saturday.

By a Staff Reporter. HAMILTON, July 26.-The Hamilton Colts lost the leadership in the race for the Canadian League pennant when they dropped two to Knotty Lee's outfit Saturday afternoon at the local ball yard. The Leafs showed a complete reversal of form after their losses in the earlier games of the series. The first contest was a shutout with Guelph's total reaching eight. Tommy Grieve, the Guelph second sacker, did not draw a miscue in either contest, making his thirty-second straight game in which he had not made an error. Dorbeck pitched steller ball in the first game, holding the Hams to two lone hits. The second was won by the visitors by a 5 to 2 score. Only 29 bat-ters faced the Guelph twirler in nine

Under the auspices of the Associated Bible Students of Hamilton, Pastor Russell, pastor of Brooklyn, gave an address at the Lyric Theatre yesterday afternoon on the Battle of Amageddon. The speaker claimed that a part of his prophecy had already been fulfilled when the present war broke out, as he had set the date at the autumn of 1914, basing his judgment upon his interpretation of Bible prophecy.

judgment upon his interpretation of Bible prophecy.

Held Cot Sunday.

Testerday was Cot Sunday in all the churches in the eastern portion of the city, for the East Hamilton War Relief. Association. Requests were made a week ago from the pulpits of these churches for donations of pillowslips and sheets for Red Cross hospitals. Receptacles were placed in the churches yesterday in which many women of the eastern section of the city placed their donations for the soldiers' comfort.

Election Unlikely.

T. J. Stewart stated on Saturday that there was not much likelihood of an elec-

ranged for tonight in the board of trade friends of employes of the Western Clark street like some giant fish rooms, it is expected that many more will be given. The men of the various civic at Michigan City, Indiana.

Eastland's position did not shift durdepartments have promised to give no less than ten guns. The committee in charge of this matter is besieged by enquiries from manufacturing concerns, offices and stores about the cost of the guns and other details. The committee looks for a great impetus at the meeting scheduled for tonight.

Recruiting Raily.

At a recruiting meeting in Gore Park
Saturday night, forceful addresses were
given by the Bishop of Niagara, Lieut.
McQueen, Controller Morris and Private
T. J. Jones of the 4th Eattalion, who was
accentive invalided home to recover from clutched their children, but decided the
slope on deck must be something nerecently invalided home to recover from wounds received at St. Julien, also spoke. The 91st Highlanders' Band was in attendance. About 600 men listened to the work of the state of the sta tendance. About 600 men istened to the speeches, and Private Jones especially was given an enthusiastic reception when he made his appeal for men to enlist to help the pals he had left on the firing

The men will leave on Wednesday for

While attempting to drive a horse out of an alley, Charles Dalgetty of 278 North Catharine street, was kicked in the face on Saturday afternoon, and was badly disfigured by the blow. The injuries were confined to the lower part of his face, and his mouth was cut. He was taken to the City Hospital. Horse Kicked Him.

thorities were satisfied that it resulted fro mheart failure, caused by excitement. Williams is a chemist, altho he had a commercial travelers' certificate on his person.

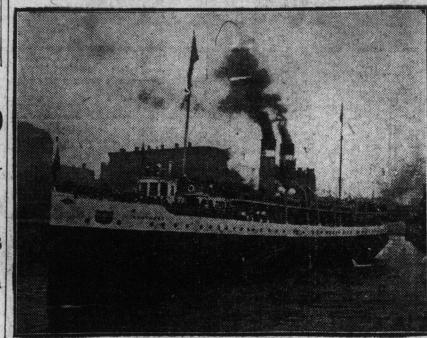

The death occurred on Saturday night of George McCleary, aged 89, at the home of his daughter, Mrs. David Person, Valley Inn. His son-in-law stated that Mr. Cleary was enjoying his usual good healthw when he retired early Saturday evening, and was apparently quite well at midnight when he was spoken to last. When the family called him at 6.08 o'clock Sunday morning, it was found that he was dead. He leaves four sons, George of Curlew, Alb.; Robert of Seattle, Wash.; James of Cannington, and Frank at home, and two daughters, Mrs. J. Harper of Oshawa, and Mrs. Person, Valley Inn, Hamilton. The body will be sent from A. H. Dodsworth's to his home at Vroomanton, Ont., for interment. Aged Resident Dead.

Motorcycle Struck Horse.

A runaway occurred Saturday night, when Harry Sloan, 285 Lotteridge street, allowed his horse to run into a motor-The animal dashed west on Bar cated at the time of the accident. Harry Alder was rarested late Saturday night on a bench warrant issued in April, 1914, for disobeying a summons issued then to appear in police court. He was wanted at that time on a charge of disorderly conduct.

Thru the splendid spirit of endeavor shown by the Canadian Club of Hamilton, the fruit growers of the Niagara Peninsula will co-operate with the women of this city to supply the soldiers with wholesome fruit. The fruit farmers will supply the red currants, raspberries, black currants and gooseberries and the women of the various church organiza-Fruit for Soldiers. black currents and gooseberries and the women of the various church organizations will preserve it in tars marked "For Red Cross," and it will be sent to the Canadians in the hospitals of England and France. The first shipment will be come will be a truck will call at Grimsby, Winona, Stoney Creek and Fruitland, to bring the fruit to Hamilton. On its arrival here it will be distributed to the church organizations and will be preserved by the ladies.

(Continued From Page 1.)

whatever dead may remain unidentified. City officials with one voice declared that all dead should have oper burial.

In churches and homes thruout the city there were offered prayers for the thousands whose hearts have been derced by grief. The day was one of gloom. The sky was overcast. There was more than the usual Sabbath quiet everywhere, and the crowds of atdoor pleasure-seekers were thin. As was the case yesterday, baseball games were postpor

Cause of Disaster. Various theories as to what cause the Eastland to turn over were discussed, but without prospect of a definite explanation being reported until the official queries to be taken up tomorrow are finished. The most discussed theories are four: that the boat made fast to warp the Eastland from by their efforts of yesterday. the dock started pulling too soon, and One of the divers, Louis

over. With the assembling today of additional facts from stories of witnesses and survivors, details of the catasthere was not much likelihood of an election being held in East Hamilton to fill the vacancy caused by the death of Hon. Samuel Barker, even tho a general election should not be held until next year. He said that a saw-off had been talked of, whereby East Hamilton Liberals agreed to withdraw James Chisholm from the field, and that no Conservative would be nominated in a Quebec constituency, where there was a vacancy. A desire to avoid political strife during the war is said to be the reason for not holding the by-election.

With the assembling today of additional today of additional totals of witnesses of witnesses and survivors details of the catastrophe and the catastrophe and the catastrophe and the events immediately Indiana Transportation Company, which had leased the steamer for the Western Electric Company's excursion, was early at his office. From his window he overlooked, with grave face, the business district, at 7.20 yesterday morning. All of her passengers, save two or three hundred who clung to the starboard rail or climbed out starboard well and the catastrophe came to us starboard rail or climbed out starboard well and the catastrophe came to us port holes, were thrown into the river, as a terrible shock." crushed into the slimy mud of the River's Speed Reduced. # President's Sympathy

CHICAGO, July 25.—Acting Mayor Moorhouse of Chicago today received the following telegram from President Woodrow Wilson:

"Windsor, Vt., July 25, 1915. "Hon. William Hale Thompson, Mayor, Chicago, Ill.:
"I am sure I speak the universal feeling of the people of the country in expressing my sympathy and sor-the presence of the great disaster which saddened

Seven Divers at Work was overloaded; that she was not Four divers came from Milwaukee properly ballasted; that a tug that to assist Chicago workers, worn out the dock started pulling too soon, and One of the divers, Louis Kruger, ed and prisoner of war, now officially that congestion of passengers rushing said that he thought several score died of wounds, June 30, whilst pri-

to the port side, attracted by some bodies were still pinned under the passing sensation, tipped the steamer boat, which he said was resting in Edinburgh, Scot. about four feet of stiff mut. These bodies cannot be recovered until after the coroner's inquest, when efforts will

The steamer lies on her side close closing gates in the drainage canal not only kept the great steamer's hull farewells when death swept upon them. steady, but prevented drifting away Fifteen Minutes' Warning.

of bodies that were still in her hold or pinned down in the mud under-

The police lines were tightly drawn from Lake street to Rush street. This kept the bridge at Clark street free of curious crowds, and allowed those whose duties called them there, unhampered freedom

Divers Worked Rapidly. The result was that the forenoon's work moved rapidly and smoothly Seven divers had brought up before 10 o'clock this morning 42 bodies. Then came an interval of five hours before the search was rewarded by discovery of two more corpses. Eight other bodies were found in the river several blocks from the scene of the disaster

Four police patrol boats cruised around the Eastland for hours, using trawl lines with heavy hooks, trying to bring out bodies that possibly drifted away from the steamer. This search, however, was fruitless.

"Crank of the Lakes." "The Eastland was the crank of the lakes, and as far as I know, the only crank on the lakes," W. J. Wood, naval architect, who was called by the owners in 1903 to correct faults in the owners in 1905 to correct faults in the bow, declared today. In 1904 Wood made representations to Capt. Ira Mansfield, local steamboat inspector, which resulted in an order to cut off the top deck of the vessel and to keep the water ballast compartments filled.
"The deck was cut off," Mr. Wood declared to lay, "but it would be impossible to fix the cause of the acci-

dent until it is known whether the other conditions were fulfilled. "The design of the vessel would not permit its operation as other vessels are operated, and great care had to be taken at all times." The Eastland was built by the Port specifications, according to Wood,

on its performance. hull," said Mr. Wood. After the Eastland was completed \$35,000 was spent to correct faults, but the vul-"The fault in the Eastland was in the nerable faults were in the hull, and I got my first sight of it today as I saw the boat overturned in the river There are certain fundamental principles applying to naval architecture

the enemy. The war on land has shown clearly that restrictions are neshown clearly that restrictions are necessary. A person who remains within a beleaguered fortress or walks into a gun fire zone risks his life without the right of protection from his home government.

Mistalan Freedom of Sass

Mistaken Freedom of Seas. "The same also is true of naval warfare, in spite of the mistaken free-dom of the seas! It is granted that the ocean is free for peaceful travel, but naval battles also take place on it. Neutral ships sailing between fighting battleships run the risk of being hit by shells and also of being struck by

mines. The submarine's only instru-ments are the firing of torpedoes. "Those who demand that Germany hould conduct the war according to rules laid down by some academic pro-fessor, expect Germany either to endanger her submarines or to give up this warfare, which means the weakening of Germany in the interest of her enemy. This is not neutrality, but partinanship against Ger-

"We know today that the passengers (of the Lusitania) could have been saved, but that they were neglected. Germany regrets their death, but she has a clean conscience and has no reason to disapprove of the conduct of her submarine Calls for Opposition

The Tagliche Rundschau and the Huron Shipbuilding Co., and on its trial run in 1903, failed to come up to American note calls for the most decided opposition and that it requires who was one of three judges to pass Great Britain to show at least an equal respect for the spirit of international las as the president demands the from Germany.

The Tageblatt says: "The note shows clearly that the American government cares more for the crippling of our submarine war than for the safe guarding of American lives The United States must realize that to change our submarine warfare is out of the question." Not At Any Price.
The Tages Zeitung writes:

Neutrals have rights, but so also has a great nation fighting for its life. Tho maintaining submarine warfare Germany always is willing to respect the justifiable wishes of Americans, but not at any price." Captain Persius, naval expert of The Tageblatt, commenting on the note, says "The American note expresses a decid-

ed will to rob us in our battle against England of the weaon on which we place the biggest hopes. By the rejection of the German proposals regarding special ships the U.S. shows that it is not striving for the seriety of the set. not striving for the safety of its citizens but rather for the laming of our sub marine campaign."

marine campaign.

Anything But Friendly.

The Vossische Zeitung says that Germany's courteous proposals have not been able to change the president's obstinancy and that from his standpoint he

# DEER PARK RATEPAYERS NEWMARKET TO GET AND RAILWAY MATTERS

M. Skelton Replies to Criticism of Deputation to Metropolitan Company.

Commenting on the criticism arous d by the fact that a deputation from he Deer Park Ratepayers' Association and waited upon the management of

stituted a transportation committee to wait upon Mr. Moore and other memwhat might be done in the way of improved transportation," he said. "We did what we thought best in the interests of all. We are anxious and willing to work with North Toronto Ratepayers, or any other association, and will be glad to go up to Eglinton at any time a joint meeting is called. So far as we in Deer Park are concerned, there is no intention of calling another meeting in the near future." He expressed himself as opposed to the request of the Metropolitan for the crossing at Farnham avenue.

WEST FAIRBANK RATEPAYERS

A meeting of the West Fairbank Ratepayers' Association will be held in Caledonia Hall this evening, when several matters of importance to the district will be discussed. Proceedings will commence at 8 o'clock.

REQUIEM MASS THIS MORNING

A solemn requiem mass will be elebrated in St. Clare's Church at 9 o'clock this morning for the repose of of the Q.O.R., who has been placed in the soul of the late Mrs. Harriet charge of the section, has opened dethe soul of the late Mrs. Harriet charge of the section, has opened dethe soul of the late Mrs. Harriet charge of the section, has opened dether the soul of the late Mrs. Whitehouse, Hampstead Park, Fair- pots at 1275 West Bloor street and bank, who leaves a husband and two 1176 St. Clair avenue, Earlscourt. children.

HOLD PATRIOTIC MEETING. eturned Soldier Expected to Speak at Dundurn Heights Wednesday.

Under the auspices of the McNab Red Cross Association, a patriotic meeting will be held at Dundurn Heights, \$50 West St. Clair avenue, on. Wednesday evening. It is expected that a speaker who has recently returned from the front will give an address. A few vacancies are still open for young men and women in the St. John's Ambulance first aid classes, which will be held tomorrow evening at 7 o'clock.

## **CLUBS HAVE UNITED** TO SECURE RECRUITS

Under the auspices of the All-Germany Will Not Conduct British Club and the Workingmen's Club of Rhodes Avenue Presbyterian Church a mass recruiting meeting will be held at the corner of Rhodes avenue and Gerrard street at 8 o'clock tomorrow evening. Representatives of all the city regiments will attend, and recruiting officers will enroll likely young men desirous of joining any of

the battalions. A feature of the meeting will be an exhibition of real war pictures and accounts of the fighting in Flanders by returned soldiers. Musical selections will be given by military bands and soloists. Joseph

sische Zeitung continues, "Is no longer neutral, but takes sides against Germany POTATOES IN COUNTY

Russell, M.L.A., will preside.

ecause Americans are on board The Vossische Zeitung adds that the note shows "that not only is President Wislon's policy in the matter of the German submarine policy influenced by especial relation to England, but also by the internal political situation in the Uinted States."

In Power of U. S. Citizens. "The only answer to the concluding par-"The only enswer to the concluding paragraph of the note," says the newspaper, "is that America nctizens have it in their own power to avoid danger.
"We resist the thought," says The Zreuz Zeitung, "that the United States in its position on the submarine matter aims at the indirect support of England. But we must confes that the contents of the note are with difficulty understandable to us from any other view point."

The Boerzen Zeitung says it regrets that it is compelled to say the note is a very unsatisfactory one and that "one cannot escape feeling that the shadow of England stands behind it."

# POWER FROM NIAGARA

Installation Work Finished Satur

day and New Rates Start August First.

The linked up with a private corpo ration, the Town of Newmarket is not practically receiving its power from Niagara Falls, the work of installing the Metropolitan Railway, relative to the Metropolitan power having bee the Metropolitan Rahway, relative to railway matters in general in North Toronto, J. M. Skelton stated to The World last night that there was no thought or desire to do anything inimical to the best interests of North Toronto.

Toronto.

"Wa ware at a propositive meet."

The Metropolitan power naving been finished on Saturday. On Aug. 1 the new rates for light and power being a reduction of slightly more than 50 per cent., will go into effect. Power for the pumping of water will now be obtained from electricity instead of the fires will remain haple. "We were, at a representative meet-ing of the Deer Park Association, con-el in case of emergency. There wil be no reduction in the water rates.

Mayor—Cane has proclaimed Mon bers and officials of the company to learn in an informal way, if possible, what might be done in the way of impeople. The holding of the civic holiday on the same day as the City of Toronto has given excellent results. On that date it is expected that the local volunteer fire brigade will hold ts annual outing to Midland, where a big program of sports has been ar-

> The next Red Cross tea in Newmarket will be held on the beautiful grounds of R. L. Schmidt, on Aug 18, and every effort is being ma make this one of the best ever held in the town in point of numbers and

# MARKHAM TO GO AHEAD WITH MAINS

Extension of Water Pipes on Number of Important Streets Has Been Decided on.

The Village of Markham has definitely decided to go ahead with the extension of the water mains on a number of important streets, this action being the result in a large measure of the annexation of Mount Joy and the terms of the agreement entered into

at that time between the town and the suburb. It is now proposed to extend a main to Mount Joy, up Franklin street to the public school, out Joseph street to the high school, out Wellington street west to Jerman street probably east 500 feet on Church street. A stand pipe 125 feet high with a capacity of 60,000 gallons will be erected. While the system contemplated is only for fire purposes, is suggested that a domestic service

can be installed at an additional cost This will be more than repaid be the revenue from water services als ready applied for. Engineer James, who has been engaged by the town in an official capacity, estimates the cost of putting down the water mains at \$10,000 and \$5000 extra for a domestil-
