The anniversary services of the Kensington Methodist Church on Sunday and last night were a pronounced success. A full attendance greeted on Sabbath morning Rev. George Jackson, district chairman, and there was a packed church in the evening to her Rev. Dr. Smith. Their sermons will long be remembered as chaste and powerful expositions of God's word. Last night the annual tea was held. The coldness of the night and prevailing epidemic, grip, reduced the attendance, and also limited the programme. Nevertheless, a most enjoyable time was spent by all. Mr. T. McCormick occupied the chair, and by his geniality -Mr. J. B. She was assisted by her cousin, Lenore Brennan, of Chesley, who looked very handsome in a suit of silver gray, with large picture hat to match. The groom was assisted by his brother, Mr. A. Killingsworth, of St. Thomas. After the ceremony the party adjourned to the residence of the bride, where a choice repast was partaken of. After receiving the congratulation of their friends the young couple left at 8:30, per C. P. R., for Montreal, Ottawa and other points presents testified to the popularity of the young couple. The Catholic Club gave another successful concert in their spacious parlors on Richmond street last night, and as on all former occasions, the audience was large, and well pleased.Standing room was at a premium. McKeough made the hit of the evening, singing "Just One Girl For Me." He was tendered an ovation and recalled. Miss Howe, Mr. Alexander and Susie McGill and the Catholic Club quartet also contributed numbers to the programme which were enjoyed immensely. One of the most enjoyable features of the evening was the farce put on by the St. Thomas Dramatic Club, entitled "Edith's Burglar." Not Satisfied With Judge Meredith's Decision-He Will Carry the Case to Toronto-The Grounds for Appeal.

Mr. W. H. Bartram has served Mr. Thomas H. Purdom, solicitor for Magistrate Parke, with notice of appeal to the divisional court, Toronto, from the decision of Judge R. M. Meredith on Saturday, refusing to grant an order for mandamus to E. Jones Parke, police magistrate. The grounds for the ap-

1. That the said information discloses an indictable offense, and makes out a case for the issue of a summons to inquire into the matters charged.

2. That no logical or legal reason in fact or in law has been alleged for the opinion of the police magistrate, that a case was not made out upon the allegations of the complainant.

3. There is no evidence that the city clerk is a gentleman learned in the law, and against whose integrity and impartiality nothing is alleged, or that a claim was made at the nomination meeting that the statute required him to close the meeting at the lapse of one hour from the time fixed by law for opening it, and such facts ought not to have been assumed as proven by the learned judge in giving his decision on the motion for an order by way of mandamus.

Rev. Dr. A. B. Berry, Congregational Minister, Dropped Dead

While Conducting the Funeral Services of a Brother Clergyman.

London, Jan. 31.-The Rev. Charles Albert Berry, D.D., chairman in 1897, of the Congregational Union of England and Wales and first president of the National Council of the Evangelical Free Church, fell dead today while conducting the funeral service of a Nonconformist minister in the Wesleyan Chapel at Bilston, Staffordshire.

The Rev. Charles Albert Berry, D.D., had been pastor of the Queen Street Congregational Church, Wolverhampton, since 1883. He was born at Leigh, Lancashire, on Dec. 14, 1852, and received the degree of doctor of divinity from St. Andrew's University, in 1895.

Wants \$60,000,000.

Won't Disband His "Army" Until the Money Is Paid!

New York, Jan. 31.-A Washington special to the Tribune says: Maximo Gomez, the Cuban commanding general, has demanded nearly \$60,000,000 from the United States, and refuses to disband his "army" until the money is paid. He has repudiated the arrangement made by Calixto Garcia, who month. came to Washington with authority from Gomez to provide for the return of the Cubans to their peaceful pursuits, and whose work was barely accomplished before his sudden death on

It was then agreed that the United States, in order to secure the prompt resumption of labor on the plantations of the island, with a view to promoting the speedy revival of prosperity and settled conditions, should distribute about \$3,000,000 among the 30,000, said to be still under arms, in the ratio of \$100 a man, the officers in proportion to their rank to receive a greater amount, the ordinary enlisted men to be discharged with sums less than \$100, depending on the length of service and other considerations. For over a month the pay corps of the army has been making ready to carry out this arrangement, the national defense fund being available for the purpose. Gomez has come out against this scheme, which was operating satisfactorily to most Cubans, and has

STRUCK FOR GREATER STAKES. It is officially known here that he is endeavoring to dissuade Cubans from accepting office under the American oc-cupation, and is urging all the natives of every grade to stay with him in the field until the United States is compelled to accede to his "terms of disbandment." Gomez alleges that his army consists of 40,000 men, and he insists that most of them shall be paid for three years' service at the rates which prevail in the United States army. He fixes the date of the Cuban declaration of independence, Feb. 24, 1895, as the beginning of the period for which himself and his forces are to be remunerated, and for himself, with the rank of lieutenant-general, he will be satisfied with

ELEVEN THOUSAND DOLLARS

ANNUALLY, the American rate for that grade. Gomez also has about twenty major-generals, for each of whom he wants \$7,-500 annually, and his "army" is equipped with nearly two hundred brigadiergenerals, each rated according to the United States army pay table at \$5,500 annually. This aggregates the nice little sum of \$3,783,000 for generals alone; then there are colonels, lieutenant-colrequire \$648, and the army paymasters, who figured out the total, have reported that over \$57,000,000 will be required to gratify all the demands Gomez has made, which is an average of \$1,425 a man. It is to meet these demands, and show Gomez their absurdity, that Gonzalo Quesada, who for the last three years has been the representative of the Cubans in Washington, started for Cuba last week, after reaching a thorough understanding with the war department authorities.

How Dodd's Kidney Pills Saved Mr. C. S. Griggs.

Hamilton, Jan. 30.—A startling story is told by Mr. C. S. Griggs, carpenter, living at 151 Queen street south. Reputable citizens vouch for the strict

truth of every detail. Mr. Griggs endured the most agonizing pains for eight years. He was a victim of Bright's disease, and the best doctors could not help him. I'inally he tried Dodd's Kidney Pills.

Three boxes cured him. Today he is sound and well in every way. It is wonderful how many Hamilton people have been cured of Bright's disease by Dodd's Kidney Pills. They have never been known to fail in a single case.

### CITY HALL NOTES

There is some talk among the members of the board of education of reviving a proposition to appoint a superintendent of works or general repairer for the department. At present the necessary supervision to keep the schools in repair devolves upon the members of No. 2 committee, and chief-Gomez, the Cuban Commander, ly upon the chairman. The numerous properties require a great deal of attention. In fact, there is always something to be done at one or other of the schools. Some years ago the board decided it would be advisable to make the appointment, and passed regulations to govern his conduct. But there was a hitch when the time came to choose a man for the office and the matter dropped. The duties of the proposed general repairer were set forth at that time in a motion by Mr. Anderson,
