The visiting delegates include Miss May Skinner, head of the University Women's Union, Toronto, and Miss F. Dykes of Havergal College, Toronto.

CAMPAIGN BEGINS IN GREAT BRITAIN

Machinery Is Being Created Similar To That in the United States.

LONDON, Aug. 27.—(Reuter.)—In the House of Commons, C. A. Mc-Curdy (Northampton), chairman of the central committee, established under the new profiteering act, foreshadows drastic action against food profiteers. He says that inquiries will be con-ducted by small committees of experts, representative of employers and employees into the cost of such commodities as boots, clothes, underwear and household utensils. These committees are not appointed to fix prices, but to ascertain the facts for public information.

mation.

"We are," says Mr. McCurdy, "creating machinery similar to that established in the United States and it is the intention of the Government to make it permanent." The central committee, of which Mr. McCurdy is chairman, will investigate complaints made by traders against profiteering on the part of wholesalers, and it has the power to institute prosecutions. The functions of the local committee. the part of wholesalers, and it has the power to institute prosecutions. The functions of the local committees will not be that of courts imposing penalties, but they will investigate grievances and after making a declaration of what a fair profit would have been in the cases before them for consideration they will be empowered to order.

HONOR VETERANS.

About sixty more returned men are to be presented with loving cups by the city on Monday night. The event will take place at Victoria Park, and will be attended by the veterans and public officials.
