I used them when I was in the South African War, and, finding the benefit of them there, have taken them since whenever I felt rundown. I always recommend them, for I know that they do all that is claimed for them. In my opinion they are the best tonic anyone can take for loss of appetite, poorness of the blood, or general weakness of the system."

world, that this most truly welcome addition to our tables is compounded from the choicest Oriental fruits and spices blended with pure malt vinegar by "a secret process."

We gladly accord the Midland Vinegar Company enthusiastic praise of their "process." H. P. is a sauce so deliciously blended that no flavor predominates aggressively over the others, and so skilfully combined that it never separates, there is no sediment, and therefore requires no shaking.

It is imperative, when buying, to look for the letters H. P. and a picture of the British Houses of Parliament on the label for a sauce as good as this will often be imitated, though never in the opinion of

of Heart Trouble FOR 5 OR 6 YEARS

Diseases and disorders of the heart and nervous system have become frightfully prevalent of late years.

One can scarcely pick up a paper but he will find recorded instances of sudden deaths through heart failure, or of prominent men and women unable to prosecute their ordinary business or profession on account of a breaking down of the nervous system. nervous system.

We do not desire to unnecessarily alarm anyone, but to sound a word of

Ottawa, June 14—The Conservatives are holding a caucus this morning to discuss the conscription issue, the political situation generally, cabinet and party reorganization and the opportune time for the election which everyone now believes cannot be long avoided.

So far as is known, Sir Robert Borden has as yet made no definite headway with his cabinet re-organization. It begins to look now as if any cabinet changes would be confined exclusively to party ranks and that these changes will be few.

According to present indications, common ground of principle and policy has been reached on which every Liberal can stand without sacrificing any of his conscientious convictions with regard to the common requirements of war effort and war sarifice. It is understood that this policy will follow the lines of a consultation of the people for a new parliament and a new administration having the mandate of the people to co-ordinate war needs and war resources in every possible way, including compulsion.

When the heart begins to beat irregularly applicates and throbs, has shooting pains through it, it is time to stop and think.

To all sufferers from heart and nerve troubles Milburn's Heart and Nerve Pills can give prompt and permanent relief.

Mrs. Frank Arseneau, Newcastle, N. B., writes: "I had awful attacks of heart, trouble for the past five or six years, and as I had tried many kinds of medicine without getting any better I decided to give Milburn's Heart and Nerve Pills a trial, and to my surprise I found ease from the second dose. I continued taking them until I had used six boxes, and now I feel as well as can be.

"At the present time my sister is using them for nervousness and finds great comfort by their use."

Milburn's Heart and Nerve Pills are 50c. or three boxes for \$1.25 at all dealered to five price by The T. Milburn Co., Limited, Toronto, Ont.
