Her Simple Method.

A bachelor had courted a girl for a
long time without coming to the point.
One evening in Leap Year, the young
lady being musical, he took her to a
concert. The orchestra played No. 6, a
selection that seemed to the bachelor
very beautiful. He bent over his com-
panion and whispered, "How lovely that
is! What is it, do you know?"
She smiled demurely, and replied in a
low, thrilling voice, "It is the 'Maiden's
Prayer'."
"The 'Maiden's Prayer'?" he repeated
in astonishment. "Why—"
But she handed him her programme,
pointing to No. 6 with her finger. He
read and started, for the real name of
the selection was "Mendelssohn's Wed-
ding March." He bought the ring the
next day.

Oscar E. Whittier.

A prominent and well known citizen
of St. John died suddenly Saturday
night in the person of Oscar W. Whittier,

Whittier was suffering from heart trouble.
His condition grew steadily worse and he
passed away during the night. He was
a native of Dorchester (N. B.) and is
survived by two brothers, Capt. E. Ed-
ger Whittier, of Vancouver (B. C.), and
Charles E., of Australia, and one sis-
ter, Miss Louisa A., of 118 St. Patrick

The Proof in Sales

THE proof of the newspaper advertising pudding is
not so much in the eating as in the delightful
after effects.To illustrate: A large Philadelphia manufacturer had used
other media, and it was only after much persuasion he was induced
to try newspapers.After one year's experiment his sales manager wrote the

national campaign of advertising through the newspapers."When all is said and done it is results that count. And news-

to manufacturers and distributors on the use of newspaper advertising.Clean, smokeless and odorless oven means perfect
