The presentation was made by C. T. Jones and W. M. Ryan, representing the joint committee of the Knights of Pythias and Knights of Columbus, who were in charge of the pleasurable visit of the children to the fair. The committee also expressed thanks to the automobile and fruck owners, who gave the use of their cars and to the Exhibition management.

H. A. Smith Escapes Injury, But Harry Forestall Is Hurt

H. A. Smith, a milk dealer of Red Head, and Harry Forestell, son of Harry E. Forestell, escaped serious injury this morning at about 10 o'clock when Mr. Smith lost control of his automobile in traveling down Millidge street to Paradise Row. The car struck and broke off a hydrant and ran into the corner of St. John Baptist church, but caused no damage to the building. The Forestell boy was thrown through the windshield of the car, receiving several small cuts about the face and head. He was taken into Wasson's drug store, his injuries cared for, and then taken to his home; and Mr. Smith, who received no injuries, said that he had started down Millidge A two-tenement house at 171 Ches-ty street was put up for auction Satur-on the running board of the car. Similarly the winning of \$124.75 by F. E. Smith, a Long Reach farmer, for his vegetable showing is considered a high mark and very creditable inded.
