CAR OWNERS ADVICE

Few people realize the necessity of keeping rim clean and free from rust. Dirty and rusty rims are a curse to the inner tubes causing them to puncture and also rotting the bead of the outer casing.

We clean, buff and paint your rims at a reasonable charge. Clean rims aid the changing of tires and also add to the appearance of the car.

Give us a trial.

How to Rid the Arms of Objectionable Hairs

(Aids to Beauty.)
A simplified method is here given for the quick removal of hairy or fuzzy growths and rarely is more than one treatment required. Mix a stiff paste with some powdered delatone and water, apply to hairy surface and after 2 or 3 minutes rub off, wash the skin and every hair has vanished. This simple treatment cannot cause injury, but care should be exercised to get real delatone.
