### BASEBALL

#### Afternoon Game Off.

The afternoon game between the St. Peter's and St. John's, scheduled for today, has been postponed on account of the swimming sports at Lily Lake. The two teams will meet, however, in the evening, when a hot game is expected. Paries is the probable pitching choice for the St. John's, with either King or Lawlor on the mound for the St. Peter's.

#### He Won Two Games.

Pitcher Leonard, of the Magic Baking Powders, evidently believes that endurance is a winning factor in baseball and he put his belief into practice last night when he hurled in and won two games on the North End Improvement League diamond, the first a nine inning affair against the North End Olympics, and the second a six-inning game against the North End Canucks. The scores were 4 to 0 against the Olympics and 7 to 6 against the Canucks. Leonard and Kimball were the battery for the Magic, Shea and Jones for the Olympics and Bowels and McAlister for the Canucks.

#### A Benefit Game.

Arrangements are being completed for a baseball game between St. Peter's and the St. John's next Tuesday evening on St. Peter's Park to secure funds to help defray Hilton Belyea's expenses. Hilton is due to leave for St. Catherine's next Wednesday or Thursday to complete training for the Canadian Henley and may go from there to Philadelphia to enter the National championships.

#### Gunsers Defeat Express.

The Dominion Express baseball nine were defeated on the Barrack Square last evening by the Gunsers of the Garrison League. The game went five innings and resulted in a 17 to 8 victory for the military team.

#### Somerville Wins Rubber.

The Somerville team defeated Fredericton in the third game of their series last evening by a score of 7 to 8. Each team secured one run in the first and two runs in the second inning, and then went scoreless until the ninth, when Somerville secured four. Ash pitched for Somerville and McLean for Fredericton.

#### St. Peter's Defeat St. Rose's.

St. Peter's defeated St. Rose's by a score of 8 to 3 in St. Peter's Intermediate League last evening. The game went nine innings and was replete with snappy plays and good base running. Hannah was on the mound for the winners and Murphy for the losers. Both pitched well, the former having nine strike-outs and the latter ten.

#### Civics Defeat Post O'J's.

In the Civic and Civil Service League last evening the Civics defeated the Post Office nine, 18 to 15. Hatfield and Blair formed the battery for the winners, and Torrie and Evans for the losers.

White Sox Get Player.

Chicago, July 15—(Associated Press)

—Eugene Elsch, former Sioux City, Iowa

centerfielder, belongs to the Chicago

American, according to a ruling of Com-

missioner Landis. The player was re-

cently sold to the Pittsburgh Nationals

at a reported price of \$10,000, following

which the White Sox protested that they

held prior rights on Elsch.

Judges Resign on Grand Circuit.

President Judge Joe McGraw and as-

sociates Judges Chester Standish and L.

C. Webb resigned at the grand circuit

meet at Toledo yesterday as a result of

a dispute following the Fort Miami

stake for 2,000 trotters, purse value \$8-

600. The favorite Prince Loree, poorly

driven for the first half, came from be-

hind and apparently won from Princess

Elawah. The judges placed Princess

Tawash first and Prince Loree second.

All pools and bets were declared off. The

free-for-all was won by Roy Grattan in

straight heats, best time 2:02 3/4. The

Crescent, two-year-old trot, was won by

Jane Revere in straight heats, best time

2:11 1/4. Minnie Williams won the 2:12

pace two out of three heats, best time

2:06 1/4. The 2:20 trot was won by Lee

Todd, two out of four heats, best time

2:08 1/4.

Races at Caribou.

Races delayed in Caribou on Thurs-

day by rain were run off yesterday.

Chimes Tell won the 2:20 trot, three out

of five heats, best time 2:15 1/4. Pointer

Direct captured the 2:14 trot and pace,

three out of five heats, best time 2:14 1/4.

Moy The Great won the 2:20 trot and

pace in straight heats, best time 2:17 1/4.

**LOCAL NEWS**

About \$800 damage was done to a  
house at 22 Meadow street, owned by

Edward Farnen and occupied by Harry

Temper and Edward Doherty, by fire  
which broke out about 2:30 o'clock this

morning.

One of the oldest buildings of the city

collapsed yesterday morning, when an

old factory building at the foot of Union

street fell in. The building was erected

in 1880, has sheltered many different in-

dustry and lately has been used as a

carriage repair shop.

At a meeting of the executive of the

United Organizations held last evening

with Roy Willet in the chair, it was

decided to hold another meeting immedi-

ately after the publication of Engineer

Kriss' report on the hydro situation.

Haste was urged in the matter of dis-

tribution.

Reports of progress were heard at the

anniversary meeting of the Congrega-

tional Union of Nova Scotia and New

Brunswick, which was held at Margaree,

N. S., recently. In the selection of

officers, J. W. Eveshilling, of St. John,

was elected secretary. An invitation to

meet at Sheffield, N. B., next year, was

accepted.

Examinations in the Royal Life Saving

Society tests for the award of the

bronze medalion, were held yesterday

afternoon. Those who took part in the

tests were Misses Elizabeth McKinnon,

Lois Fairweather, Viola McAvity and

Francis Firth, and it is thought that all

passed successfully. The examinations

were conducted by Miss Catherine Mc-

Avity.

Samuel A. Sewell was sent up for

trial yesterday afternoon in the police

court without any further evidence being

taken. H. A. Powell, K. C., appeared

for Sewell and Daniel Mullin, K. C., for

the city. Mr. Sewell was permitted to go

on his own guarantee of \$1,500 and

security of \$750 each from Samuel M.

Sewell and George Ellis. His case will

come up at the August sitting of the

county court.

B. H. Fraser of Ottawa, chief engineer

of the department of marine and fisheries,

made an inspection of local conditions

about the harbor this week. As a result

of his investigations he will recommend

to the lighthouse board the construction

of a lighthouse at the end of the new

breakwater and the placing of lights and
