More New Arrivals in Evening Frocks

Knowing that woman looks her loveliest when gowned for the evening affair, designers have created gowns that sparkle with originality and beauty. The season's gaieties will soon be at their height. You should make your selection of an evening gown now from this fascinating collection.

Sheerest tissues are used in some of the most charming creations. Tulle and Metallic embroideries playing a very prominent part. Soft, rich Satins or Silks are effectively used for whole gowns or foundations, and are in such wonderful shades as sapphire, sun-kist, pumpkin, Adriatic blue, orchid, Nile, robins egg and others.

Among the novel style features for the new season will be seen, narrow shoulder straps of iridescent beads, one sided draperies, sequins for trimmings, and all sorts of vari-colored corsage bouquets, and other decorations.

These gowns are all moderately priced and will meet the demands of the most critical dressers.

Seven Only, Sheer Evening Gowns that Have Become Mussed from Handling, to be Sold at Two Big Reduction Prices, \$19.75 and \$29.75

Colors of these are pink, orchid, sky, Nile, white and a combination of black and amber. These are in fashionable cuts, made with hip draperies, streamers of rainbow ribbon, and such trimming touches as metallic ribbon at waist, shoulder decoration of bright flowers, ostrich rosettes, and other variations. Prices of these were formerly much higher.
