ONTARIO MAN IS  
ACQUITTED OF CHARGE  
OF MURDERING WIFE

North Bay, Ont., March 27.—John Marcell of Sturgeon Falls, who was accused of the murder of his wife about a year ago, was acquitted yesterday after a two day trial. The crown charged that Marcell had killed his wife and then set fire to the building to destroy the evidence of his guilt.

The defence contended that the residence of the Marcells accidentally caught fire, and that the husband was unable to reach the wife to save her, but had saved his niece, nine years old.

The jury decided that the crown had failed to prove that a murder had been committed.

ADDRESS BY NURSE.

There was a large audience in Carman street Methodist church last night when, under the auspices of the Ladies' Aid, Miss Hazel Deinstadt gave a very interesting address on her hospital work overseas. Miss Nina Brown and Miss Estella Earle sang a duet. Rev.

Gold Soap is the best thing in laundry soap. It is also the largest cake for the money. It goes farther and does more work. If you should forget the name, just think of the metal that is most precious and goes farthest. That will call to mind the word gold, and the soap that is most precious and goes farthest.

Many women look all over the city, when a new coat or hat is to be purchased, to save a few dollars; but, in buying groceries, which is a year's time amounts to many times the amount spent on clothing, they are negligent to find out where to get the best for their money.

Robertson's offers real economy—not a few specials, but every item a saving. Then the quality is right as we are not interested in bankrupt or salvage stocks of any kind. Goods that go on our shelves must be above criticism.

TAKE SALTS TO  
FLUSH KIDNEYS

Eat Less Meat if You Feel Backache or Have Badder Trouble

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night. To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive, harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.

GENERAL LOOMIS IS HONORED IN MONS  
Commanded Third Canadian Division—Flag is Presented.

Paris, March 27.—(Canadian Press despatch from Reuter's Limited)—The municipal council of Mons yesterday gave an official reception to General Loomis, officer commanding the Third Canadian Division, which formed part of the first army which liberated Mons on November 11. To the general was presented by the town a beautiful flag on which, in addition to symbols associated with the Canadian army, were inscribed the names of famous towns where Canadian soldiers had particularly distinguished themselves.

GROCER TELLS FACTS TO ST. JOHN PEOPLE  
"I had been overworking for years and my stomach gave out. I had no appetite and what I ate soured and formed gas. Nothing helped until I tried buckthorn bark, glycerine, etc., as mixed in Adler's-ka. One spoonful astonished me with its quick action." Because Adler's-ka flushes the entire bowel tract completely relieves any case of sour stomach, gas or constipation and prevents appendicitis. The instant action is surprising. J. Benson Mahony, druggist.
