AMUSEMENTS

HEARTY WELCOME FOR NEW COMPANY

Thompson-Woods Stock Company
An Instant Business in Opening
of Second Season—"Bought and
Paid For" Admirably Presented

The second permanent stock season for St. John was most auspiciously opened last evening at the Opera House, when the new Thompson-Woods Company presented the well known metropolitan success "Bought and Paid For," a four act comedy drama, to quite an extent problematical. With the exception of the name of the management all was new to St. John, play and players included, but if individual opinion is a criterion of the future this will not be said for long regarding the players at

KEEP LIVER AND BOWELS REGULAR WITH CASCARETS

No More Headache, Bad Colds,
Sour Stomach and
Constipation

Get a 10-cent box now.
No odds how bad your liver, stomach or bowels, how much your head aches, how miserable and uncomfortable you are from constipation, indigestion, biliousness and sluggish bowels—you always get the desired results with Cascarets. Don't let your stomach, liver, and bowels make you miserable. Take Cascarets tonight; put an end to the headache, biliousness, dizziness, nervousness, sick, sour, gassy stomach, backache and all other distress; cleanse your inside organs of all the bile, gases and constipated matter which is producing the misery.
A 10-cent box means health, happiness and a clear head for months. No more days of gloom and distress if you will take a Cascaret now and then. All druggists sell Cascarets. Don't forget the children—their little insides need a gentle cleansing, too.

Easy & Practical Home Dress Making Lessons

Prepared Especially for This Newspaper by
Pictorial Review

DAINTY BIT OF LINGERIE

All of the new lingerie is developed principally in crepe material, cotton, linen and silk being used, as the dress allowance permits. It is a dainty thing, however, to trim underwear with embroidery instead of lace, even headbands being of handwork. Now, this design may be finished simply with a scalloped border, or it may have a more elaborate design. In cotton crepe, though, it is a treasure.
For misses and small women the combination required 1 1/2 yard of 45-inch material. In case one has not the time for hand embroidery the trimming required will be: 3/4 yard of 3-inch banding for shoulder strap; 1/2 yard banding for belt; 3/4 yard 12-inch embroidery for corset cover and 1 1/2 yard insertion for the petticoat. For the ruff 1 1/2 yard of embroidery will be needed.
Four parts of the pattern, the front gore, front and back, lap and belt are laid on a lengthwise fold of the crepe, leaving just the back gore (B) to be arranged on a lengthwise thread.
First turn hem in front of corset cover, at notches. Gather lower edge between double "T" perforations; sew up to gathered edge, centers and notches even. Double small "oo" perforations indicate center-front. Sew strap to upper edge, notched and small "oo" perforations even.
Petticoat—Slash center-front from upper edge to large "O" perforation. Sew lap to slashed edge, making dart seam by stitching in 1/2 inch at upper edge and grading stitches into nothing at lower edge. Fold up through center, fold remaining edge over seam. Join gores as notched, close back seam. Close seam of ruff, adjust to position, centers and lower edges even. Sew petticoat to belt, centers even, bringing seam to large "O" perforation in belt and easing in any fullness.
Trimmed with pink, blue or white ribbon the daintiness of this design is unequalled even in more expensive materials and trimmings.

5758
White crepe combination neatly trimmed with embroidery and ribbon. The corset cover is in one piece.

KIDNEY TROUBLE AFFECTED HIS SPINE

Suffered For Forty Years Until
He Used "Fruit-a-tives"

Bronte, Ont., Oct. 31st. 1913.
"For about forty years, I was troubled with Lame Back brought on by Kidney and Bladder Trouble. I was never confined to my bed with the trouble, but it affected my spine and I had to rest for a time. I took advertised remedies which never did me any good. Then I saw "Fruit-a-tives" advertised and decided to try them. They did me more good than any other remedy.
My son suffered from the same trouble and frequently had to leave off working, but "Fruit-a-tives" remedied it for him. I would strongly advise anyone suffering from Kidney and Bladder Trouble to use "Fruit-a-tives."

least. This season's stock is going to be popular and there will soon be seen the same air of familiarity and welcome friendliness as were prevalent after the development of the initial venture last year. The presentation of last night's play was a success for the company, individually and collectively, and while it is not possible to judge of the greatest asset of a stock player, versatility, from the first night's showing, it may be said that every member in the cast made a distinctly pleasing impression, while the show itself was particularly well received.

The play was nicely mounted and its successful presentation, while speaking highly for merits of each of the players, also reflects directly upon the ability of Wm. H. Dimock, well known as a director, one of the most arduous positions in a stock engagement. Besides he played a difficult role, that of Robert Stafford, millionaire, a part which demanded careful study, and thespian ability. It must have been no small task to oversee being of handwork. Now, this design may be finished simply with a scalloped border, or it may have a more elaborate design. In cotton crepe, though, it is a treasure.
For misses and small women the combination required 1 1/2 yard of 45-inch material. In case one has not the time for hand embroidery the trimming required will be: 3/4 yard of 3-inch banding for shoulder strap; 1/2 yard banding for belt; 3/4 yard 12-inch embroidery for corset cover and 1 1/2 yard insertion for the petticoat. TAPESTRY RUGS —3 1/2 yards by 4 yards.....	Each 14.00

CARPET DEPT.—GERMAIN STREET.

Manchester Robertson Allison, Limited

Howard has won an enviable name for himself as a popular actor of the extreme type. Her line of chatter and songs are alone the lines of Bert Pittgibson, claimed to be "vaudeville's funniest talker." The sketch is "The Manure and the Traveler," and the audience is kept giggling from start to finish. There are good songs, fifty dancing and smart dressing. Miss Marie proved a splendid soprano—a singer of the dramatic class. She rendered Herbert Spencer's Joyous love value brilliant with fine finish. Tomorrow the Imperial shows Vitagraph's two-part drama, A Wayward Daughter, which is from the scenario of Miss Blossom Baird, of St. John.

Maxfield in particular is a rapid-fire performer of the extreme type. Her line of chatter and songs are alone the lines of Bert Pittgibson, claimed to be "vaudeville's funniest talker." The sketch is "The Manure and the Traveler," and the audience is kept giggling from start to finish. There are good songs, fifty dancing and smart dressing. Miss Marie proved a splendid soprano—a singer of the dramatic class. She rendered Herbert Spencer's Joyous love value brilliant with fine finish. Tomorrow the Imperial shows Vitagraph's two-part drama, A Wayward Daughter, which is from the scenario of Miss Blossom Baird, of St. John.

THE GIRL OF MYSTERY IS NOW A CAPTIVE IN MEXICO

Gem Theatre Has Provided Another
Treat For Its Patrons This Week

The arrival of Lieutenant Gibson, her sweetheart, brings joy to the heart of Lucille Love, Girl of Mystery, as she remains a captive within Hugo Loubeque's hacienda in Mexico for she begins to entertain hopes of escape from his scheming and intrigue to get possession of valuable documents owned by her father. A spy intervenes with her plans, however, and a daring encounter with him is her only salvation. This is a portion of chapter twelve in the great Lucille Love series at the Gem Theatre shown yesterday and today which is equally fascinating as any which have yet been presented.

A charming western story was given in "A Ranch Romance" which was most capably presented. Much fun was provided in an Essanay comedy "The Tale of Napoleon and His Bugs," in which a second Napoleon, much unlike him, famed in history imagines himself a general because of a phrenologist telling him he had ability for military leadership, when he had examined his "bump." The fun which ensued was rich and plenty. The orchestra had an attractive programme also.

IMPERIAL BILL PLEASED EVERYBODY

Splendid Drama and Extremely Funny
Vaudeville—Fine Dramatic Soprano

It was truly a remarkable programme the Imperial presented its patrons yesterday—remarkable for the character of the various items. There was a most strenuous social melodrama in Shadows of the Past, a bit of up-to-date New York hilarity in the vaudeville act, some absorbing realism in the scenes in Belgium concerning the great war, and a novelty in singing numbers as presented by Mademoiselle Elsa Marie, a dramatic soprano. It would not be amiss to state that each and all of the features pleased greatly.

In The Shadows of the Past, the Vitagraph's best players depicted a powerful story. The Imperial's advance advertising on this subject claimed for it a companion-play to A Million Bids. The people who saw it yesterday seemed to think it really was of the same class and many liked it better. Anita Stewart, Harry Morley, E. K. Lincoln, Rogers Lytton, Julia Swayne Gordon, Rose Tapley, Bobby Connelley and other stars took part. The crash between train and auto during the action of the piece was most thrilling. Hearst-Selig Weekly was filled with interesting war pictures, scenes all over. The Biograph Co. supplied the comedy.
Mott & Maxfield have started a new kind of amusement for St. John. Miss

Rheumatism

A Home Cure Given by One Who Had It

In the spring of 1893 I was attacked by Muscular and Inflammatory Rheumatism. I suffered as only those who have it know, for over three years. I tried remedy after remedy, and doctor after doctor, but such relief as I received was only temporary. Finally, I found a remedy that cured me completely, and it has never returned. I have given it to a number who were terribly afflicted and even bedridden with Rheumatism, and it effected a cure in every case.

I want every sufferer from any form of rheumatic trouble to try this marvelous healing power. Don't send a cent; simply mail your name and address and I will send it free to try. After you have used it and it has proven itself to be that long-looked-for means of curing your Rheumatism, you may send the price of it, one dollar, but, understand, I do not want your money unless you are perfectly satisfied to send it. Isn't that fair? Why suffer any longer when positive relief is thus offered you free? Don't delay. Write today.
Mark H. Jackson, No. 400A, Gurney Bldg., Syracuse, N. Y.

Carson's Plans for Ulster
Sir Edward Carson, leader of the Irish Unionists, announced yesterday that after the war is over he would summon a provisional government, repeal the Home Rule bill so far as Ulster is concerned and enact that it is the duty of volunteers to see that the bill has no effect in Ulster. This is practically a warning of hostilities.

Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, deafness will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed mucous surface. We will give One Hundred Dollars for any case of Deafness cured by Catarrh cannot be cured by local Catarrh Cure. Send for circulars, free.

Thin Folks Who Would Be Fat

Increase in Weight Ten Pounds or More
A Physician's Advice

"I'd certainly give most anything to be able to fat up a few pounds and stay that way," declares every excessively thin man or woman. Such result is not impossible, despite past failures. Thin people are victims of mal-nutrition, a condition which prevents the fatty elements of food from being taken up by the blood as they are when the powers of nutrition are normal. Instead of getting into the blood, all the fat and flesh producing elements stay in the intestines until they pass from the body as waste.

To correct this condition and to produce a healthy, normal amount of fat the nutritive processes must be artificially supplied with the power which nature has denied them. This can best be accomplished by eating a Sargol tablet with every meal. Sargol is a scientific combination of six of the best strength-giving, fat-producing elements known to the medical profession. Taken with meals, it mixes with the food and turns the sugars and starches into rich, ripe nourishment for the tissues and blood and its rapid effect is remarkable. Reported gains of from ten to twenty-five pounds in a single month are by no means infrequent. Yet its action is perfectly natural and absolutely harmless. Sargol is sold by good druggists everywhere and every package contains a guarantee of weight increase or money back.

Caution—While Sargol has produced remarkable results in the treatment of nervous indigestion and general stomach disorders, it should not, owing to its remarkable flesh producing effect, be used by those who are not willing to increase their weight ten pounds or more.
