SELFISH AND MISTAKEN
(From the Montreal Gazette.)
Ottawa despatches tell of a demand from certain agricultural circles for the closing of theatres in the cities, the idea being that they serve to attract men from the farms. This attitude is as selfish as it is mistaken. The cities attract workers when theatres were few and when there was no such thing as a moving picture, and they would continue to do so if every show place was leveled to the ground. Those persons in the country who demand that urban amusements should be curtailed have apparently become infected by the now prevalent disease of desiring to inflict punishment on the other fellow.

NOTICE
PUBLIC NOTICE is hereby given that a Bill will be presented for enactment at the next session of the Provincial Legislature, the object of which is to provide that the Common Council of the City of Saint John, when issuing Debentures under Sections 28 and 29 of the Act of Assenby, 32 Vic. Cap 27, may fix the rate of interest at such rate as it may deem desirable, provided the same does not exceed six per centum per annum; also to make valid any Debentures which may have been issued by the said City during the present year bearing interest at the rate of six per cent. per annum.

Dated at the City of Saint John, N. B., the fifth day of February, A.D. 1918.
HERBERT E. WARDHOPE,
Common Clerk.
