

The lectures and demonstrations in each Annual Course are given during a period of nine months, beginning in October.

The Faculty of Medicine of Bishop's College aims at imparting a thoroughly practical medical education, and its facilities for doing so are in many respects unequalled in Canada. In addition to the regular course of didactic lectures, students have the advantage of extensive and varied hospital privileges.

### PRELIMINARY EXAMINATIONS.

#### *Examiners for Canada :*

PRINCIPAL A. N. SHEWAN, M.A.	REV. G. ABBOTT SMITH,
