THE ONTARIO MILLERS AND THE DUTY ON FLOUR.

The admirable letter of our Toronto correspondent yesterday, gave our readers a better idea of the position of the Ontario millers for increased duties on flour than we have been able to give.

THE CELEBRATED HAVLOCK MINERAL SPRING WATER.

The Water from this Spring has long had a well-earned reputation as a remedy for various forms of disease and derangement of the system.

It keeps the hair soft and silken, preserves its color, prevents its falling out, and promotes a new growth.

To restore the original color of the hair, which has turned prematurely gray, use Ayer's Hair Vigor with the same success, cheerfully testify to the efficacy of this preparation.

A few years ago I suffered the entire loss of my hair from the effects of fever. I hoped that after a time nature would restore the hair, but I waited in vain.

My hair began to grow again, and in a few weeks the disease in my scalp disappeared and my hair resumed its original color.

A few years ago I suffered the entire loss of my hair from the effects of fever. I hoped that after a time nature would restore the hair, but I waited in vain.
