

CUSTOMS REVENUE STILL GROWING

INCREASE OF \$250,000 OVER JUNE LAST YEAR

Government Makes 600 Per Cent in Six Years in Toronto Real Estate

(Special to the Times.) Ottawa, July 2.—The customs revenue for June totals \$6,022,998, an increase of \$250,000 over June last year. For the first quarter of the fiscal year the comparative increase in customs revenue has been \$3,850,000, or over 23 per cent.

NEW YORK GOVERNORSHIP

Col. Roosevelt Declares He Will Not Accept Nomination

Utica, N. Y., July 2.—Theodore Roosevelt will not be governor of New York. He punctured the boom that was started for him for chief executive of the state by the Onondaga county Republican club. In a note to Secretary Adams of the club Roosevelt declared he could not accept the nomination.

SUDDEN DEATH

J. F. Prudhomme, Who Made Sensational Charges Regarding Judicialships, Drops Dead

(Special to the Times.) Winnipeg, July 2.—J. F. Prudhomme, who made sensational charges during the present election campaign that Horace Schvler offered to sell judgeships, dropped dead at ten-thirty this morning in St. Boniface.

MINES LEASED

Halifax, July 2.—The lease of the Cumberland Coal & Railway Company's mines in Cape Breton, with the option of purchasing for \$200,000 within three years, to the Dominion Iron & Steel, has been recorded in the mines department. It is understood negotiations began with the Dominion Steel and Coal companies.

MAY ABOLISH SPECIAL RATES

WESTERN RAILWAYS CONSIDER PROPOSAL

Executive Committee of Passenger Association Will Discuss Two-Cent Minimum Tariff

(Times Leased Wire.) Chicago, July 2.—It is reported here on good authority that western railroads are considering a proposition of abolishing all special rates and making two cents the minimum.

ATTEMPTED MURDER AND SUICIDE

Portland, Ore., July 2.—Following a quarrel at their home, H. M. Lambert, 55, a carpenter, this afternoon shot his wife three times in the breast and sent two bullets into his own body. Both were reported to be dying. The couple have two small children.

AMATEUR CHAMPIONSHIP

London, July 2.—The 100-yard dash for the amateur championship was won by Ramsdell, of the University of Pennsylvania, to-day in the international amateur athletic meet. Ramsdell defeated Walker of South Africa. His time was 13 1/2 seconds.

THE POPE INDISPPOSED

Rome, July 2.—Pope Pius was seized with a fainting spell to-day. Dr. Petacci, the Vatican physician, says the illness was caused by heat and an attack of hemorrhoids. He said the attack was not serious.

CANADIANS DEFEATED

(Special to the Times.) Liverpool, July 2.—The Liverpool cricket team defeated the Canadians here yesterday. After a good stand by Southern and Lindsborough, who scored 40 and 24 respectively, the visitors collapsed and were all out for 97. Liverpool secured the 97 runs required for the loss of five wickets.

SHOOTING IN EMPIRE MATCH

BRITAIN LEADING IN FIRST THREE RANGES

Australia Secures Second Place With Canada Third—Scores of Canadians

(Special to the Times.) Bisley, July 2.—Though the Bisley meeting does not open until Monday, there was a prelude yesterday when the Empire match was fired. This is a match for a challenge trophy offered by the Commonwealth council of the Rifle Association of Australia, and open to teams of eight men each from the naval and military forces of the United Kingdom and overseas possessions, the ranges being 200, 300, 400, 500, 600 and 1,000 yards, ten rounds at each distance, heavy showers occurring throughout the match.

ESQUIMALT WATER COMPANY LOSES

MOTION FOR WRIT OF HABEAS CORPUS DISMISSED

Claim for Right to Enter on Craigflower Road Lots or Compensation Fails

(After being before the court for eight months an interesting case concerning the Esquimalt Waterworks Company and the Victoria West arbitration was disposed of by Chief Justice Hunter on Thursday, when a motion for a writ of mandamus on the company's counsel was dismissed with costs.)

TOWNS ISOLATED BY FOREST FIRES

ENORMOUS DAMAGE WROUGHT IN ONTARIO

(Special to the Times.) Winnipeg, July 2.—The Canadian Northern Railway announce the following loss this week by bush fires in Runty River district: 125 box cars, thirty depot station houses, freight sheds and water tanks, also \$500,000 worth of yard material last night. Emo, Ont., is cut off from communication and with Fort Francis is surrounded by fires.

WAR CLOUD AT CITY-HALL

CITY ENGINEER AND HIS ASSISTANT Thought That Strained Relations Which Exist Cannot Much Longer Continue

(From Saturday's Daily.) That there have been for some time past strained relations between the city engineer, Angus Smith, who only recently assumed office, and G. H. Bryson, assistant engineer, is well known to all who keep in touch with affairs at the city hall, and that the situation cannot much longer continue is equally well known. At Thursday's evening's special meeting of the city council the matter was openly discussed, and it was felt by all present that there must be a speedy settlement of these differences if the affairs of the city are to be properly managed.

NO OBSTACLE TO PREFERENTIAL TRADE

Hon. W. S. Fielding Declares Canada Is Still Free to Make Arrangements With the Mother-land—Growth of Dominion.

(Special to the Times.) London, July 2.—The Dominion Day dinner held at the Hotel Cecil last night was of the high standard of previous years, namely, the most successful dinner of the season in London. Lord Strathcona presided for the fifteenth time, and amongst those present were: Hon. W. S. Fielding, Hon. S. Fisher, Hon. W. Peterson, Sir W. Mulock, Earl Crew, Lords Balfour, Blyth, Shaw, Dunfermline and Wellock, Sir G. H. Reid of Australia, W. H. Hall-Jones of New Zealand, Richard Solomon of South Africa, the Bishops of Ripon and St. Albans, Judge Channell and A. W. Smithers.

FIXES TAX RATE FOR PRESENT YEAR

Twenty-Five and One-Half Mills on the Dollar Decided Upon by City Council

Ald. Fullerton, Mable and other members of the board thought that an intolerable state of affairs had developed in the relations between the city engineer and his assistant, and they charged that the mayor was mainly responsible for this situation.

FORT STREET OWNERS TIRED AND DISGUSTED

Further Talk About Widening Scheme at Special Meeting of City Council

(Prior to the regular business at Thursday evening's special meeting of the council the board was waited on by a deputation of property owners on Fort street, consisting of Joseph Skiffers, Arthur Haynes, A. E. Lutton, K. C. Dr. Fraser, and others. They expressed through disgust at the delay which has occurred in connection with the Fort street widening scheme and pressed for an explanation from the city council.)

HEAT IN NEW YORK

Thousands Sleep on Beach at Coney Island—No Relief in Sight

(Times Leased Wire.) New York, July 2.—Trains leaving New York to-day are jammed with people fleeing to escape the severe heat that has gripped New York for the past few days. Fifty thousand people sleep on the beach at Coney Island and last night. The temperature remained at 85 degrees during the night and to-day there is no prospect of relief.

MURDERER EXECUTED

(Special to the Times.) Toronto, July 2.—Bank clearings for June were the largest on record, amounting to \$123,351,694. In the year the clearings totalled \$1,225,951,517, while ten years ago they totalled only \$44,548,007.
