I have met no one else in the settlement who ever heard of this vicious bull until after he was shot, and this in a settlement where news of that kind would travel from one end of it to the other in 24 hours. We have to get this news from Duncans or the Victoria papers. SALT SPRING ISLAND NOTES.

(Special Correspondence of the Times.) There is a proposal to hold the next fair of the Islands' Agricultural Society at South Salt Spring Island. The scheme is to have the show at Ganges Harbor and South Salt Spring alternately. A meeting of the directors will be held at Ganges, when the matter will come up for discussion

The members of the Farmer's Instiute are greatly satisfied with the report of the dairy inspector, F. M. Logan, on the condition of the local creamery. The creamery is now running full blast, the output being 800 pounds per week.

## A WORD TO THE WISE

"ATLANTIC CITY, N. J, Oct. 29.—As the sickening details of yesterday's terrible wreck on the electric line of the West Jersey and Seashore Railroad developed during the night, the disaster became more appalling. THE TOTAL NUMBER OF PERSONS WHOSE LIVES WERE SNUFFED OUT ALMOST INSTANTLY IS PROBABLY SIXTY-SIX, with nearly a score injured, several of whom it is thought will die. Forty-eight bodies have already been brought to the surface.

"There were ninety-one persons on the train, fifteen passes and seventy-six fares. Twenty-five of this number have been accountd for, which with the bodies recovered, brings the total to seventy-three. This leaves eighteen persons not accounted for and who are supposed to have been drowned,"-TIMES, Oct. 29th

The above dispatch appeared on page 1 of Monday's TIMES. On page 7 of the same issue there appeared an offer by THE TIMES to provide its paidup Subscribers with a

\$1,000 Accident Policy and a \$500 Total Disability Policy, Free of Charge.

Both policies covered cases of death or disability in just such an accident as the foregoing. The number killed in America last year by railway accidents alone was 3,632, and 67,067 injured.

Don't imagine that the registration remittance of twenty cents represents the premium on the policy. IT DOES NOT. The Publishers pay a large premium direct to the Insurance Company. The registration coupon and fee of twenty cents overcomes the possibility of dispute on any question of identity. It is not even necessary to have the policy on one's person at the time of the accident; it can be filed away the same an any other valuable document,
