SCHOONER WRECKED

the North Atlantic Ocean-The

Crew Taken Off,

count has reached Liverpool of an encounter in the North Atlantic ocean with a huge sperm whale, as a result of which the Danish schooner Anna was wrecked and had to be abandoned by the crew, who were rescued in an exhausted coallitor.

from Iceland to New Brunswick, and was about twenty days out when on the attorner of Section 1997. the afternoon of September 28 a whale had also managed to gain the roof. was seen spouting some distance in the offing. Shortly afterwards more spouts were shot upwards within a few hundred feet of the vessel, and the whale seemed to be angrily moving in a circle.

crash, and some of the crew were thrown off their ship below the waterline, and the stern of the vessel was broken. The whale, however, had received its coup de grace. Its colassel Joseph Jefferson once told a friend that carcass rose slowly to the surface, reducing his long stage career he had ceived its coup de grace. Its colossal' never been associated with any one side, and from its wounds blood pour-showing undue familiarity with him

around.

The vessel began to leak, and all hands were placed at the pumps, but as the weather grew worse the ship commenced to sink. After thirty-nine hours of continuous exertion, it was decided to abandon the Anna. A lifeboat was provisioned and manned, and was on the point of being launched when it was noticed by the Johnston liner Ouernmore.

ley, who some years ago was property man in the comedian's company.

This Bagley annoyed Mr. Jefferson very much by his somewhat offensive manners, but, owing to the valuable services rendered by him, Mr. Jefferson had always been loath to take measures more severe than a reprimand. But finally the familiarity of the property man increased to an extent impossible to endure, so he was summarily dis-

blowing, but after several gallant attempts on the part of the crew of the Johnston lifeboat, the "whalers" were transferred to the Quernmore.

That night Bagley got exceedingly drunk. Paying his way into the theatre, he repaired to the gallery, there are, he repaired to the gallery there are, he repaired to the gallery there are the opening of Mr. Jefferson's engagement one year in Baltimore.

African war. The number of Canadians who fell during the war was 246. Of this number 11 were buried at sea or drowned and their bodies not recovered, and five are buried in England, whilst it vas found that relatives or comrades in-arms had already provided lasting memorials in 12 cases. Twenty-five graves still remain unidentified, but it is expected that these will be located shortly and as soon as this is done, nemorials will be sent from Canada mark the same. After deducting these numbers there

remained 193 graves to be marked and memorials were accordingly despatched to South Africa for this purpose, the last instalment reaching that country in April, 1904. A telegram has now been received from South Africa stating that all memorials for the above graves will be in position over above graves with they are intended.
