

its graduates and I fervently hope the number will be two. To bring much relief to our missionaries two more should be sent at once. I hope also that there will be a prompt response to the appeal for a lady missionary from India, which Mrs. Castle has so ably presented in the LINK.

### News from the Circles

**SAWYERVILLE, Que.**—There is no Mission Band in connection with the Circle, but efforts are made to interest the children in Foreign Missions. A number of mission boxes had been daily reminders in several homes of the claim of the Telugu Mission and the day on which they were opened was made a mission day. Recitations were given by the children and a collection taken. The boxes were found to contain \$9 58. The greater part of the money had been earned or saved by some self-denial. One delicate boy seven years old, earned sixty cents last fall and refused to spend any of it for himself, putting it into the mission box to buy a little Telugu girl a testament and a dress. Sixteen boxes were taken for the coming year.

**WALKERTON.**—The Circle in Walkerton has just closed its second year and we feel greatly encouraged. Our meetings, though not largely attended, are very interesting and have proved a great blessing to those attending.

We were very sorry a few months ago to lose our beloved and able president, Mrs. Dack.

On February 10th, a parlor social was given at Mrs. Crawford's residence on behalf of the Circle. A very pleasant evening was spent, and as a result seventeen dollars and fifty cents (\$17.50) accrued to the funds of the Circle.

We have been able to raise this year in all thirty-four dollars (\$34.00), two-thirds of which goes to Home Missions and one-third to Foreign Missions.

All the ladies belonging to the Circle subscribe for the LINK and I am sure we all enjoy it very much.

A Mission Band was organized last fall, the meetings of the Band are very interesting, our greatest trouble is the children often forget about the meeting, but we are not discouraged and hope to do better in future.

AGNES SPROULE, *Sec. Mis. Circle.*

**OWEN SOUND.**—The Mission Band has entered upon its second year with encouraging prospects. Our monthly meetings are well attended and a deep interest is manifested in the work. We have undertaken to educate a native Hindoo girl called "Tamai," and hope to accomplish more this year than we did last, as we realize more fully the great need for mission work in India.

A social and sale of useful articles was held last week at the residence of our President, Miss M. J. Brown, which was a great success both socially and financially, as we realized \$16.

**CAMPBELLFORD.**—The Home and Foreign Mission Circle, held its annual open meeting on March 15th, with a crowded house. A good programme was provided. Collection taken to the amount of \$7.40. We have now entered upon our third year with encouraging prospects, our membership increasing. The monthly meetings are well attended and very interesting and profitable.

MISS IDA GIBB, *Secretary.*
