

### Insurance and Investment

You take out life insurance for the comfort of others. Why not take out Bed Insurance for your own comfort? The "BANNER" Spring Bed insures rest and comfort, because it fits the body from head to foot. So finely tempered is the steel—so accurately adjusted are the spirals—that the "BANNER" will "give" wherever there is pressure on it.

### The "Banner" Spring Bed at \$8.

is an investment, because it is the cheapest you can buy. It lasts a lifetime and gives a lifetime of service and satisfaction. The first cost is the only cost. The "BANNER" Spring Bed is the right idea, carried out right. The sides are angle iron, to make a rigid foundation. To these are riveted flat steel bands, and the spirals are attached to them. The spirals are oil tempered, to retain their springiness—and japanned, to prevent rusting. There is absolutely no noise to a "BANNER" Spring Bed—and no slats are required for iron beds.

The "BANNER" is the most restful, comfortable and durable spring bed—regardless of price. \$8 is very little to pay for such a bed. This trademark goes only on Springs and Bedding that are absolutely and unconditionally guaranteed to give satisfaction. Look for it whenever and wherever you buy. 10
