ENGINEERING AND HONOUR SCIENCE GRADUATES REQUIRED in the following departments:

MANUFACTURING PRODUCTION AND MARKETING

Since Shell Canada's success depends to a great extent on sound technical knowledge and achievements, much of the strength of our company lies in the development and performance of our engineers, scientists and other professionals.

Opportunities for graduates with Bachelor and Masters degrees exist in most of the company's major departments. We invite you to speak with Shell's representatives to obtain career information.

Check with your placement office for company booklets, interview schedules and further details.
