

Creative People Only!

The Bruns is always interested in what you have to say. If you have anything written that you want to see in print, the Bruns may be the place. Whether you write on social issues, the alternative music scene, politics, or the life cycle of the hairy wombat, we want you to write for us!

Do you have design abilities? Are you a computer genius? Are you a darkroom wizard? Or do you normally get your thumb over the lens? Whatever your interests, we can find a place for you.

Drop us a line at Rm. 35 of the Student Union Building... we're always there, except when we're not.
