My dear Mr King

I have been out of touch of
newspapers for some days & have
only just seen the notice of your
decoration comm. I am sure
I congratulate you most warmly.
Speaking of hand I should say you
must be the youngest man in
Canada to have received such a
distinction. I think you have
earned it & I fancy it will
help you in your work, in which
I am bound to take all the
state interest because of our
