

You should take a rest from
your arduous duties and
spend a few months in
this land of sunshine and
flowers.

With kindest regards
Sincerely yours

to help them in any way.

Did you get those pictures
taken yet? if so, the address
given at the beginning of this
letter would be a nice one
for you to use when mailing me
of your pictures. I haven't had
any taken yet, but one of these
fine California days. I shall
make a special trip to the
City and pay the photographer
a visit.
