Edmonton, November 13th, 1919.

Sir,-

In reply to your letter of the 5th instant, I beg to say that the Department has made arrangements with Mr. W.J. McAllan, Indian Agent, at Fort Fraser, to have you supplied with a plough and disc harrow in order that you may carry on farming operations successfully. Mr. McAllan has endeavored to see that you are supplied with the implements in time for your spring work. The assistance extended is given in view of the fact that you have shown industry in the past, and it is hoped that in the future you will do good work along farming lines.

Your obedient servant,

Deputy and Secretary.

Mr. Auguste Pote,  
C/o W.J. McAllan Esq.,  
Indian Agent,
