

Summing up by Prosecutor

In the trial by Court Martial of
C 37342 Pte Turpin E.I. 9 Jun 45.

The beginning + termination of his
absence is established by documentary
evidence.

As evidence of his intention not
to return, may I draw attention to
two facts:—

- (a) The length of his absence
- (b) The fact that he was apprehended.

I request the court to come to a
decision on the evidence before them
+ find the accused guilty as charged.

Kenneth A. McKinnis
Prosecuting Officer.
