One Magazine and One News

are indispensable
person of interest

The "one magazine" nature, because it abridges the whole field of human knowledge in both hemispheres.

It contains a month's worth of the world's news; quotations from the press; numerous graphic illustrations; photographic sketches of famous personalities of the present; recent advances in science; the noteworthy events of literature and art; the best fiction, drama, and poetry; a page of the month; a condensation of the month's news.

It gathers impartial facts from the whole field of human thought; those facts which are interesting and gives the reader a defined and illuminating view of the whole world as it is.
