

CASE MACHINERY

CASE products for decades have been used throughout the world, and have been successful. They have always done the very best work, at the least cost. This is the result that you must have if you are to get all that you are entitled to. No matter whether it's a threshing machine or a road grader; a steam tractor or a husker-shredder; a road roller or a gas tractor; a tractor gang plow or a road drag, in the machine that bears our name you are bound to find the one that is always at your service; the one whose ownership is a source of satisfaction. ¶ Now is the time to begin to figure on next year's equipment. Now is the time to study CASE catalogs. Better let us send you yours.
